

SHEFFIELD GREEN PARTY 2019

A vote for a Green Party councillor is a vote for:

● A COUNCIL THAT LISTENS

Listening to local people and helping them get their voices heard

Calling decision-makers to account to the people they serve, and involving all councillors in decision-making, not just the Cabinet

Online broadcasting of council meetings

● A HEALTHIER, CARING CITY

Better care, centred on people's needs. Keeping the Walk-in Centre and Minor Injuries Unit open

Better mental health services for both adults and children

Support for low-income households and helping Universal Credit claimants

● SAFER & CLEANER STREETS

Safe, welcoming streets and green spaces; Campaigning against cuts to street cleaning

Action on knife crime and anti-social behaviour; Good local schools that children can walk to safely

Campaigning for a healthy urban environment that values and protects trees

● JOBS IN A LOCAL ECONOMY

Creating new jobs in renewable energy and energy-saving measures for homes and businesses

A living wage, not zero hours contracts

Supporting local businesses making a living in the local economy; no more big private contracts

Protecting our heritage by working with local groups and promoting the city's regeneration

● DECENT HOMES AND NEIGHBOURHOODS

Investment in good-quality, affordable, rented housing to reduce energy use and bills

Balancing the night-time economy with residents' needs; better recycling options

More support for homeless people and local charities that help them

● BETTER TRANSPORT AND AIR QUALITY

Cheaper, more reliable public transport so people can choose to leave their cars at home

Investment in safer, more attractive routes for cyclists and pedestrians

Real action on air pollution, climate change and public health - at every level of decision-making
