

BERNARD LITTLE — GREEN CANDIDATE

I have lived in Walkley for 25 years. I'm married and work as a personal assistant for a local resident with health issues, after recently retiring from the NHS. I also volunteer in an Upperthorpe community cafe.

I was a Green councillor from 2006-10, launching the Living Wage for Council employees. I opposed handing the private contractor Amey control of our streets - thousands of healthy trees have since been felled unnecessarily. I personally protected street trees on Rivelin Valley Rd.

I walk the ward regularly identifying local issues like litter, blocked gulleys, inadequate bus services and community safety and report sub-standard, dangerous, Streets Ahead work.

I work with local community groups and press the council to address the concerns of local residents. I hope you will vote for me to be your local councillor.

GREENS ARE CHALLENGING LABOUR HERE!

There are no Tory councillors or MPs in Sheffield

Last election result - Walkley council ward
May 2018 - votes cast

LITTLE, Bernard

Green Party

For election information, contact Sheffield Council election office on 0114 2734093.

Promoted by Eamonn Ward, 73 Eskdale Rd, Sheffield, S6 1SL on behalf of Bernard Little.

GREEN COUNCILLORS STAND UP FOR YOU

GREEN COUNCILLORS ON YOUR SIDE

Green Cllrs Magid Magid, Martin Phipps, Alison Teal, Douglas Johnson, Kaltum Rivers and Rob Murphy

- Sheffield's growing group of Green Councillors is active in the community and at council meetings, pushing for the interests of local residents.
- Green Cllr Magid Magid has inspired people of all ages and backgrounds as the current Lord Mayor.
- Greens actively campaigned to keep the threatened Minor Injuries Unit central and accessible at Hallamshire Hospital.
- Greens helped residents deal with the chaos and clutter of the new recycling bins roll out – which won't improve Sheffield's poor recycling rate.

CHOOSE GREEN

BETTER TRANSPORT

GREENS support cleaner, healthier transport, with stronger bus regulation, more cycling investment and re-opening of local rail lines and stations.

The **LABOUR**-run Council have failed to cut congestion and dangerous air pollution. They cut public transport funding and raised residents' parking permit prices.

A CARING CITY

GREENS would invest in good quality housing and better mental health services. Our budget proposed £1 million more for social care.

The **LABOUR** Council have failed to build many new houses or produce the city development plan. They have cut street cleaning.

AN OPEN COUNCIL

GREENS want all 84 city councillors involved in decision-making, not just 9 Cabinet members. We'd let people see big Council contracts.

The **LABOUR** Council Cabinet make big decisions behind closed doors and hide important information from the public.

VALUE FOR MONEY

GREENS opposed costly PFI contracts with big private multinational companies. We encourage local businesses - they keep money in the local economy.

The **LABOUR** Council spent £413,000 trying to jail peaceful street tree protesters. Thousands of healthy trees were felled that should have been saved.

FOR A BETTER SHEFFIELD

Labour has a big majority on Sheffield Council. Their councillors are told how to vote by their party. Green councillors are free to act in the best interests of local people and Sheffield as a whole. More elected Greens will ensure your views are heard and the Labour-run council is held to account.

Upperthorpe Post Office, Walkley Library and Zest are vital community hubs in this ward

In our 2019 council budget proposals we included:

- More Police Community Support Officers and council Safer Neighbourhood Officers
 - More money for renewable energy and energy saving for schools and homes
 - Bringing back the Freebee city centre bus
 - Cheaper residents' parking permits and more money for cycling and walking
- Labour rejected all our proposals.
