## HOW TO REGISTER FOR A POSTAL VOTE

At the beginning of January, the government announced that local elections will still go ahead in 2021.

However, there will be people who feel they will not be able to vote in person on May 6th.

But you can still make sure you vote

in these elections by requesting a postal ballot paper.

To register for a postal vote you need to fill in an application form. You can request one by:

## SAFE, ACTIVE SCHOOL TRAVEL

Councillor Kaltum Rivers helped partner Modeshift ([modeshift.org.uk](http://modeshift.org.uk)) with Springfield School, Broomhall.

Kaltum said, "Modeshift aims to secure increased levels of safe, active and sustainable travel in business,

education and community settings.

"I helped set up a parents group to support the school, who through the Modeshift team will promote well being and active travel, minimising the danger of driving and parking close to the school."

## NEIGHBOURHOOD PLAN REFERENDUM MAY 6TH - SAY YES!

Residents in the BBEST (Broomhill, Broomfield, Endcliffe, Summerfield and Tupton) area will also vote to adopt a neighbourhood plan on May 6th.

BBEST ([Bbest.org.uk](http://Bbest.org.uk)) have done amazing work over many years in

developing a shared vision to shape the development and growth of these local areas in years to come.

**Greens councillors have supported this work throughout and we urge you vote Yes!**
