ABOUT JASON

Jason is a parent and researcher with a love for the outdoors.

Lockdown made clear how vital green spaces are. As well as helping out on a community allotment, Jason supports the **Bingham Park** fundraiser, for new play and sports equipment, and protection of **Millhouses Park**, for the enjoyment of all.

After helping set up mutual aid groups to support local people, Jason lobbied Sheffield City Council to give more power to community groups and residents, which would strengthen recovery from the pandemic.

Vote to elect Jason Leman on May 6th.

SHEFFIELD PEOPLE'S REFERENDUM

On 6th May you can vote for change to elect more Green councillors.

But, there is also a referendum taking place where you can vote to **change how the council** is run. This is the Sheffield People's Referendum.

Currently the Council leader has the power to make nearly all decisions.

But, you can vote to change to a committee system – a fairer way for councillors of all parties to make decisions together for the benefit of Sheffield.

GETTING THINGS DONE FOR ECCLESALL WARD

Ecclesall Greens distributed a shop local poster to promote small businesses hit by the pandemic. Every pound spent locally doubles the value to our area, which boosts up the local economy and supports livelihoods and jobs.

Ecclesall Greens campaigned for safer streets and the Greystones and Whirlow 20 mph area.

The group also lobbies for improved cycling routes, more pedestrian crossings – including at **Ecclesall Woods** – and the Better Buses campaign, for bringing buses back under public ownership.
