ALEXI DIMOND

ALEXI DIMOND TO STAND IN LOCAL ELECTIONS

We need a hard-working Green Party councillor who will stand up for our area.

Campaigner **Alexi Dimond** will be representing **Sheffield Green Party** to stand in this year's local elections on May 6th.

Alexi said: I'm really excited to be the Green Party candidate for Gleadless Valley in the 2021 Council Election.

"I've been an active campaigner in Sheffield for many years and am really excited to be working with **Green Party Councillor Paul Turpin** to improve things for residents in Gleadless Valley.

"Paul has already demonstrated the difference Green councillors can make – he is passionate about our community and stands up for our area on the Council.

"I would love the opportunity to join him and make sure the communities our area are represented on Sheffield Council."

Gets things done for our area

Works hard all year - not just at election time

HOW TO REGISTER FOR A POSTAL VOTE

At the beginning of January, the government announced that local elections will still go ahead in 2021.

However if you don't wish to vote in person due to Covid concerns, make sure you request a postal ballot paper.

To register for a postal vote you need to fill in an application form.

You can request one by:

@ electoralservices@sheffield.gov.uk

📞 0114 273 4093

EXTEND THE SUPERTRAM AND BETTER PUBLIC TRANSPORT

Councillor Paul Turpin is campaigning to extend the tram network along the Sheaf Valley to serve Heeley and beyond, as well as for more investment in existing public transport.

Paul says, "we would love to see trams stopping in Heeley.

"But we also want the existing bus routes to have better financial support. Especially the less frequent routes like the 10, 18 and 20.

"We want greater investment in bus stops and shelters, with real time information, better seating and lighting, as well as cleaner, greener new buses."

Councillor Paul Turpin and Alexi Dimond have been reporting issues across the ward.

Paul has been helping council tenants get repairs sorted.

Alexi reported damaged steps on **Callow Drive** which have now been repaired.

LOOKING AFTER OUR AREA

Alexi has also reported dangerous potholes on the junction with **Gleadless Road** and **Daresbury Road**.

This summer, Paul and Sheffield Greens have been busy supporting local shops and other businesses during lockdown.
