Dear Neighbour,

On the 6th May there is an election to elect one of the three local councillors. I am the Green Party candidate, and I'm writing to ask you to consider voting for me this time round. Here's why:

- **I work hard for you all year round.** Together with the Hillsborough Green Team, I have helped solve many individual problems and raised awareness of wider-reaching issues like litter, road safety and public spending. We have supported residents on the ground including River Don flood alerts and matchday monitoring during the 8 month Leppings Lane road closure nightmare.

Our regular newsletter has kept residents up to date with what's happening – such as running the S6 Community Litter Pick or collecting for the S6 Foodbank.

- **I know and understand our part of Sheffield.** My family lived off Middlewood Road for 24 years and I still live locally in S6. I use Hillsborough Park and the local shops regularly. **I know the area well and I want to give local people a voice.** I want to make our part of Sheffield thrive. A cleaner, greener and more prosperous place to live, for the benefit of everyone in the community.

- **I could do even more as your councillor.** If elected, I could achieve so much more for our area. **Hillsborough will be my number one priority.** I will be a strong, independently-minded voice standing up for our area and holding the Council to account. A Labour councillor will not be able to do this.

I really enjoy working with local people and I'm pleased with what Hillsborough Green Party has managed to achieve so far. I hope you'll vote for me on the 6th May so that I can achieve even more as your local councillor. Thank you!

Yours sincerely

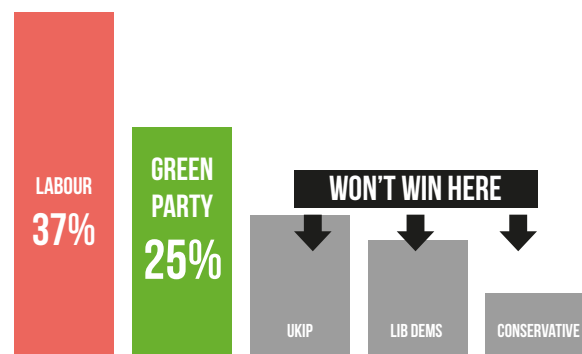

Christine Gilligan Kubo

Green Party candidate for Hillsborough.

PS – This election is about local issues and it's between Labour and Greens here. Greens offer a real alternative to Labour, working hard for you all year and reporting back in regular newsletters.

THE RESULT LAST TIME

2019 LOCAL ELECTIONS HILLSBOROUGH WARD

FOUR REASONS TO VOTE CHRISTINE

CHRISTINE IS FREE TO STAND UP FOR OUR AREA

Green councillors are free to stand up for you on Sheffield Council.

Other parties tell councillors how to vote - even if it isn't what's right for their area.

CHRISTINE HAS BEEN WORKING HARD FOR YOU

Christine has been working hard to make things better across Hillsborough.

She has taken part in food bank collections, reported blocked drains and fly tipping, and helped residents with planning matters.

Christine and the Green Party are the only ones that deliver regular newsletter and letter updates to residents throughout the year - not just at election time.

Christine will continue to work hard for our area and, if elected, will have a say at the council meetings where things are decided.

CHRISTINE CAN WIN THIS YEAR BUT SHE WILL NEED YOUR HELP!

In the last local election, Christine came second behind the Labour candidate.

The choice on May 6th is clear. You can vote for a Labour councillor who will continue to take your vote for granted.

Or you could vote for Christine, a campaigner who has worked hard to prove herself.

The other parties can't win here.

With your help, Christine can get elected this time.

OUR ENVIRONMENT FIRST - FOR REAL

Green councillors can be counted on to stand up for our environment. This isn't a campaign gimmick for us.

Green councillors in Sheffield have pushed our Labour-run council to take practical action so our city plays its part in tackling climate change. Our council has had two years to take action since declaring a climate emergency but has dithered.

By electing a Green Party councillor, you are sending a clear message that our council needs to do more.
