PUTTING OUR AREA FIRST

Hillsborough Greens work hard for you year round in your local communities.

We breathed new life and participation into the **Hillsborough Forum** before Covid-19 struck. We founded the monthly **S6 Community Litter Pick** and have held many street collections at **Hillsborough Corner** for **S6 Foodbank** during this crisis.

We're working to minimise the impact of big events and matchdays on local residents while seeking to support the many businesses impacted as Covid-19 prevents those events being held.

We're supporting vital Friends and Tenants groups, for example we are helping with **Winn Gardens Healthy Holidays** kids activities and community gardening there in the future.

SHEFFIELD PEOPLE'S REFERENDUM

On 6th May you can vote for change to elect more Green councillors.

But, there is also a referendum taking place where you can vote to **change how the council is run**. This is the Sheffield People's Referendum.

Currently the Council leader has the power to make nearly all decisions.

But, you can vote to change to a committee system – a fairer way for councillors of all parties to make decisions together for the benefit of Sheffield.

☐ Keep things the way they are

☒ Change to a fairer way of making decisions
