Dear Neighbour,

On the 6th May there is an election to elect one of the three local councillors. I'm the Green Party candidate, and I'm writing to ask you to consider voting for me this time round. Here's why:

- **I work hard for you all year round.** Together with the Walkley Green Team, I have helped solve many individual problems and raised awareness of wider-reaching issues like litter, road safety and public spending. **Our regular newsletter has kept residents up to date with what's happening** – whether that's cleaning up our green spaces or collecting for our local foodbanks. Of course, other candidates will doubtless appear now that there's an election around the corner, but nobody wants a councillor who vanishes as soon as the election is over.
- **I have lived in Walkley and Upperthorpe for 25 years. So I know and understand our area.** The pandemic has shown how effective our neighbourhoods are in listening and supporting each other. I want to build on this experience with action that enables our streets to be safe and everyone in our community to thrive and prosper.
- **I could do even more as your councillor.** As your local representative, I could achieve so much more for our area. If elected, **Walkley will be my number one priority.** I will be a strong, independently-minded voice standing up for our area and holding the Council to account. A Labour councillor will not be able to do this.

I've really enjoyed working with local people over the years and I'm proud of what I have already achieved. I hope you'll vote for me on the 6th May so that I can achieve even more as your local councillor.

Thank you!

Yours sincerely

Bernard Little

Green Party candidate for Walkley Ward.

P.S. This election could end up being close again. Your vote would help to ensure that I can work even more effectively on your behalf.

FOUR REASONS TO VOTE FOR BERNARD

BERNARD IS FREE TO STAND UP FOR OUR AREA

Green councillors are free to stand up for you on Sheffield Council.

Other parties tell councillors how to vote - even if it isn't what's right for their area.

BERNARD HAS BEEN WORKING HARD FOR YOU

Bernard has been working hard to make things better across Walkley.

He has taken part in food bank collections, reported blocked drains and fly tipping, and helped residents with planning matters.

Throughout the year Bernard and the Green team support volunteer groups and locally owned businesses.

Bernard will continue to work hard for our area and if elected will have a say at the council meetings where things are decided.

BERNARD CAN WIN THIS YEAR BUT HE WILL NEED YOUR HELP!

In the last local election, Bernard came a close second behind Labour.

The choice on May 6th is clear. You can vote for a Labour councillor who will continue to take your vote for granted.

Or you could vote for Bernard, a campaigner who has worked hard to prove himself.

The other parties can't win here.

With your help, Bernard can get elected this time.

BERNARD KEEPS YOU INFORMED

Green councillors make sure that residents know what is going on.

Bernard and the Green Party are the only ones that deliver regular newsletter and letter updates to residents throughout the year - not just at election time.

Many people tell Bernard how much they value this.

Just think, when was the last time you heard from your councillors or any other party?

If elected, Bernard will continue to keep you updated with what he is doing on Sheffield Council and in the community.
