BERNARD LITTLE

BERNARD LITTLE TO STAND IN LOCAL ELECTIONS

We need a councillor who will stand up
for our area.

Bernard Little is your Green candidate in the May 6th council election.

He said "I'm delighted to be your candidate. I've lived in Walkley for over 20 years.

During that time, I've met many residents and business owners, and helped lots of them with issues and problems. I'm retired so have the time to give you a good service as your councillor."

"Last time, I came a close second to Labour in the council election here, with the other parties far behind. With your support, I could be elected as your councillor in May. **Vote for me this year.**"

HOW TO REGISTER FOR A POSTAL VOTE

At the beginning of January, the government announced that local elections will still go ahead in 2021.

However, there will be people who feel they will not be able to vote in person on May 6th.

But you can make sure you vote

in these elections by requesting a postal ballot paper.

To register for a postal vote you need to fill in an application form. You can request one by:

SUPPORTING OUR LOCAL FOODBANKS

The Covid crisis has affected many people's incomes, with some needing to choose between buying food and heating their homes.

During recent months Bernard and other Greens have organised 20 collections for the S6 Foodbank on

South Road, and at Commonsides, Hillsborough Corner and Beanies in Crookesmoor.

We've collected hundreds of crates of food for people in need, plus thousands of pounds in cash donations.

LOOKING AFTER OUR AREA

Your community campaigner **Bernard Little** and other Greens have worked alongside local residents to tidy and improve streets and green spaces in our area.

Bernard has reported fly-tipping near The **Ponderosa** and the

disappearance of the CCTV camera at the **Freedom Road** recycling site. He has also called on Sheffield Council to install a safe pedestrian crossing near the junction of **Whitehouse Lane** and **Fox Road** following a near-accident.
