HILLSBOROUGH PARK FORWARD PLAN CONSULTATION

Cllr Christine Gilligan Kubo

The Parks and Countryside Service would like to hear your views about the park to help create a plan to manage and care for Hillsborough Park in the future. **Cllr Christine Gilligan Kubo** comments: "Work is due to start on the **All Wheeled Bike Park** in the Autumn and the **Age UK Activity Centre and Community Cafe** is due for completion by the end of 2021. The park will then have a range of facilities and activities for all ages.

We have all appreciated this important green space during the Covid-19 crisis and there is a lot to consider as the management plan is developed.

Tramlines means a lot to the 40,000 people attending but a downside is limited access to the park for close to 3 weeks. Circuses and fairs also increase the parking impacts on side streets nearby. A balance needs to be struck between maintaining and enhancing the green space and future development and events.

The council are seeking **Green Flag** status for the park - a key aim is "To ensure that these spaces are appropriately managed and meet the needs of the communities that they serve."

It's important you make your views known in the consultation by **September 30th** via this weblink bit.ly/Hills21. I would like to know your views too."

GREEN COUNCILLOR ELECTED

Cllr Christine Gilligan Kubo says: "Thank you for electing me as your local councillor in May. I'm working with local residents, businesses, community and tenants groups to support and improve our local area.

I'm also a member of the **Our Council Transitional Committee** tasked with implementing the referendum vote to restore the committee system in which all councillors will be involved in decision making.

No party has an overall majority. The **Green and Labour parties are jointly running the Council in a co-operative agreement.** The Lib Dems walked away from negotiations but 3 seats remain open for them on the Executive.

Christine supporting the "no glyphosate" campaign

Key priorities are to make the Council, and what it does, more accountable and visible and to address the climate and ecological emergency. I'm pleased that we quickly agreed to prioritise phasing out spraying dangerous glyphosate on our streets and pavements."

KEEPING HILLSBOROUGH TIDY!

Loxley & Wisewood Litter Pickers started in January 2021 with a mission "Let's keep Loxley lovely & Wisewood wonderful." They are now collaborating with Hillsborough Greens at the monthly **S6 Community Litter Pick**. We salute their amazing work with numerous picks across a wide area, taking on some of the worst litter and fly tipping. They always welcome new members - find them on Facebook. To be added to the S6 Community Litter Pick mailing list only, please e-mail **S6litterpick@outlook.com**
