## LOOKING AFTER OUR AREA

**Cllrs Alexi and Paul, and Marieanne** have been clearing rubbish from streets and green spaces.

They have been litter-picking on Valley Road and have cleared rubbish left in local woodlands.

## GREENS SUPPORT SMALL BUSINESSES

£4million in grants to leisure and hospitality businesses has been handed out by the Business Sheffield team. **Cllr Paul Turpin**, Executive Member for Inclusive Economy, Jobs and Skills said, "The team has done an amazing job getting this money into the hands of small, local businesses. I only wish it was more, but I hope it will soften the blow."

If you want to find out about job opportunities with local employers, there's a **Job's fair on Tuesday 12 April, Terry Wright Community Hall, Gleadless Valley.**

## NEW BINS IN HERDINGS & MEERSBROOK PARKS

**Your Green councillors** used funding to upgrade the bins in Herdings and Meersbrook Parks after speaking with the community about possible improvements.

"Many people requested new bins but the parks department budget wouldn't stretch to replacing them," said Alexi, "so we stepped in. These bins were really needed and will be well used for years to come."

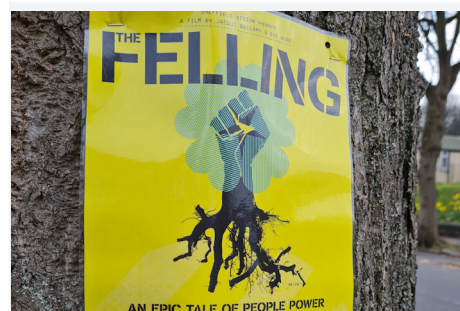

## UKRAINE SOLIDARITY

Russia's invasion of Ukraine has left many people asking how they can help. See suggestions at:

**Cllr Alexi Dimond** said, "Sheffield is a city of sanctuary. We are proud our city is open to those who need a safe place in their time of need."

Local film-makers have produced a film about the street tree felling. Thousands of healthy trees were destroyed, prompting action from the local community, who were successful in their battle against the Labour-run council. Further screenings of 'The Felling' will be on at the Showroom from 1 April.
