GLEADLESS VALLEY MASTERPLAN CONSULTATION

Councillors Paul Turpin and Alexi Dimond have contributed to proposals that will improve homes, green spaces, opportunities for jobs and training, and will improve youth provision.

Paul said "So far there is no commitment in the masterplan for renewable energy in homes but with your help this could become an integral part of the plan. It would mean lower energy bills, prevent fuel poverty and increase fuel resilience from volatile world energy markets."

Please complete the consultation by 4 March

SAFER SCHOOL STREETS

Carfield Primary School has introduced a long-term street closure for the safety of children, going to and from school.

Gleadless Valley Green candidate and Carfield parent Marianne Elliot, commented,

"Carfield is one of the first schools to introduce this, they have really got behind it and have a small group of fantastic parent volunteers. Greens support the scheme as it improves safety for children, encourages active travel and reduces air pollution outside the school. It's really positive to see another local school, Anns Grove Primary, has just introduced this too."

CAR PARK RE-SURFACED

Cllrs Paul and Alexi ensured that the car park at Heeley Green was re-surfaced, following requests from residents.

MEERSBROOK PARK PLAYGROUND

Working with Meersbrook Park Users Trust, local Greens will resume efforts in the spring to improve play facilities in the playground.

ROAD SAFETY CHANGES

Your councillors, Paul and Alexi, have been working with the council and the community to introduce road safety measures in Heeley.

There will be a 20mph zone and the school street closure at Anns Grove Primary has just been introduced.

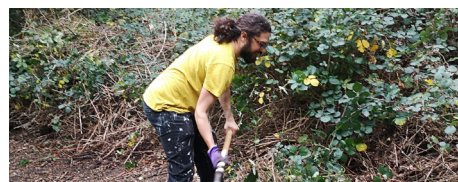

Work is ongoing to find a solution for the dangerous Myrtle Road.

ROLLESTONE WOOD CONSERVATION WORK

Cllr Alexi Dimond joined the Gleadless Valley Wildlife Trust to help with conservation work in Rollestone Wood.
