PUTTING OUR AREA FIRST

Your Green Councillor Christine Gilligan Kubo works hard in the local community. With a second Green Councillor even more could be achieved. Christine has:

- Founded and run the S6 Community Litter Pick.
- Worked to reduce the impact of big events and matchdays, and minimise access restrictions to Hillsborough Park, vital for the health and wellbeing of local residents.
- Supported Tenants and Friends groups, for example, helping recruit a new committee to ensure Holme Lane Community Garden continues as a green space for everyone to enjoy.
- Done regular collections for S6 Foodbank at Hillsborough Corner as food and fuel bills spiral.

WE'RE BACKING BEX WHYMAN FOR MAYOR!

This year, you also have a vote to elect a new South Yorkshire Mayor. Green Candidate Bex Whyman works in education and lives in Sheffield. Bex's key priorities:

Cheaper energy bills- investing in insulation and renewable energy to cut heating bills, reduce greenhouse gases and create skilled jobs.

Better public transport- a Green Mayor will bring buses under public control, so we get better services. Bex will push for more funding for regional rail services and electrification of main lines.

More Investment in the North - pushing hard for the government funding needed to deliver actual "levelling up" in our region.
