

THE SHEFFIELD GREEN

WORKING FOR THE LOCAL COMMUNITY

HILLSBOROUGH, LEPPINGS LANE, MALIN BRIDGE, OWLERTON, PHILADELPHIA, WADSLEY AND WISEWOOD

SPRING 2022

HENRY NOTTAGE

IS THE GREEN CANDIDATE HERE IN THE MAY 5TH COUNCIL ELECTIONS

Henry says: "I run a cycle business in Hillsborough, talk to local people daily and know this area very well. I'm working in a Green team alongside **Councillor Christine Gilligan Kubo** who has established a reputation as a responsive councillor who gets things done and gives local people a voice.

Hillsborough Greens actively engage with, and support, local communities. We breathed new life and participation into the **Hillsborough Forum** before Covid-19 struck. We founded and run the **S6 Community Litter Pick** and continue regular street collections at **Hillsborough Corner** for **S6 Foodbank** as food and heating bills soar.

If you elect me, I will work hard to improve local people's lives.

Cllr Christine Gilligan Kubo actively supports the Friends of Hillsborough Park, co-organisers of "All Lit Up" in February

HILLSBOROUGH GREENS...

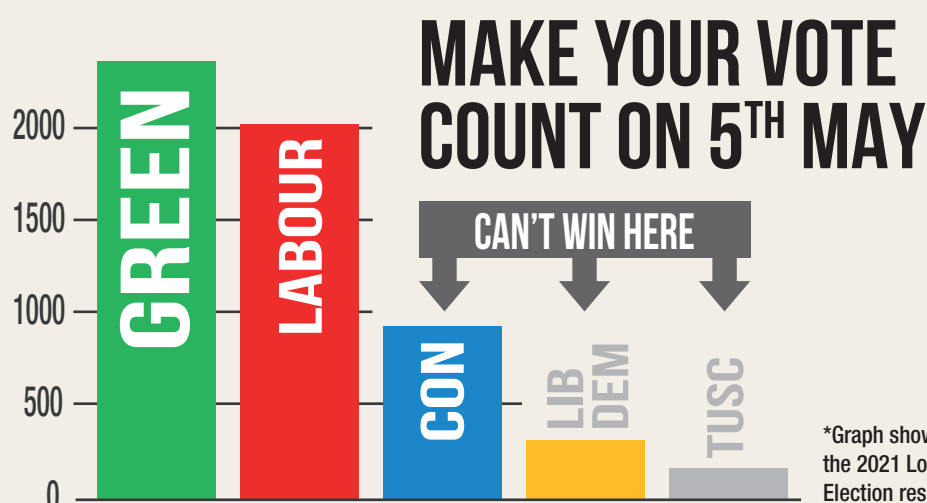

WORK HARD ALL YEAR - NOT JUST ELECTION TIME

GET THINGS DONE FOR OUR AREA

LISTEN AND RESPOND TO YOU

Greens offer a real alternative to Labour in this area, working hard for you year round and reporting back in regular newsletters.

On 5th May - it will either be me, or the Labour candidate. No other parties can win here.

HOLME LANE AREA TRAFFIC & PARKING CONSULTATION

Christine and Henry at the dangerous junction opposite Hillsborough Exchange shopping centre

Thank you to the 181 residents who responded to our recent consultation. Henry says: "106 people said traffic conditions made them feel unsafe. Common issues raised included speeding and road safety, the volume of traffic passing through and pavement parking and other obstructions. Other big concerns included air pollution, the availability of

parking and inappropriate vehicles (HGVs) in the **Taplin Road** area.

We're examining your responses and will be compiling a report to the council's **Highways Department**. It will highlight the key issues plus the many suggested solutions put forward by residents and seek priority for urgent action as funding becomes available."

STORMS, FLOOD RISK AND POWER CUTS

Hillsborough Greens were on the streets throughout the flood risk alerts on February 19/20 reporting up to date information to local residents on social media sites. Hillsborough Green team member **Eamonn Ward** offered follow up help to about 200 households suffering intermittent power cuts during the week after on roads either side of **Hillsborough Stadium**.

Henry says: "Be prepared! If you are in a flood risk area you can sign up for flood alert texts and e-mails here www.gov.uk/sign-up-for-flood-warnings. Vulnerable people may be eligible to sign up for extra support during power cuts - see www.northernpowergrid.com/care".

HILLSBOROUGH PARK PUBLIC CONSULTATION & IMPROVEMENTS

412 people responded with lots of comments and suggestions - read the summary report here bit.ly/Hills21. The council will apply for **Green Flag** status soon.

The current work is "To improve the footpaths and drainage on the site before the next **Tramlines** in 2022, and to enable greater use of the green spaces for community use and for running, cycling, walking, and scooting which currently, can be restricted because of the poor drainage in the park." Aiming to provide "Increased event income, which will be invested back into the park".

Henry says: "Hillsborough Greens will continue to seek priority for maintaining daily access to the park for the health and wellbeing of local residents while minimising closure and restricted access due to Tramlines and other events."
