WALKLEY WARD

WALKLEY, LOWER WALKLEY, UPPERTHORPE, LANGSETT, BIRKENDALE, CROOKESMOOR, BOLE HILL & NETHERTHORPE

MARCH 2022

LOGAN ROBIN:

YOUR GREEN CANDIDATE IN COUNCIL ELECTION

We need another councillor who will stand up for our area.

Logan Robin is your Green candidate in the 5th May council election.

Logan said "I live locally and have lived most of my life in our area. I'm delighted to be your Green candidate.

"Councillor Bernard Little and I have been working hard to help local residents and businesses in recent years.

"Last year, Bernard was elected as your councillor, with Labour coming second and the other parties far behind. With your support, I could be elected as your second hard-working Green councillor, alongside Bernard. That should help to get the changes our area needs. **Please vote for me this year.**"

WALKLEY GREENS...

WORK HARD ALL YEAR - NOT JUST AT ELECTION TIME

GET THINGS DONE FOR OUR AREA

LISTEN TO YOU

Bernard has shown that he works hard for our area.

On 5th May, you can elect me to work alongside Bernard.

A Green team that will work for you, all year round"

IT WILL BE BETWEEN LOGAN AND THE LABOUR CANDIDATE HERE

LOGAN ROBIN

LOGAN ROBIN & BERNARD LITTLE: WORKING ALL YEAR FOR YOU, NOT JUST AT ELECTION TIME

CAMPAIGNING FOR SAFER ROADS AND BETTER BUSES

Bernard and local residents with petition for improved bus services

Greens campaign for better road safety and improved public transport.

Logan and Bernard have taken action to make roads safer, such as Dodd Street, Whitehouse Lane, Walkley Road, Bole Hill Road, South Road and in the Upperthorpe area. They have been working to get speed detectors installed in the ward.

Logan and Bernard continue to press for improvements to local bus services, following widespread support for their **bus service petition**.

Many local people have expressed their support for proposals to improve road safety, public transport and walking and cycling options- which will reduce pollution and improve air quality.

SUPPORTING PEOPLE

Logan collecting for the S6 Food Bank

LOOKING AFTER OUR AREA

Logan and Bernard have worked alongside local residents to tidy and improve streets and green spaces in our area.

They have:

- Organised several litter-picks throughout the ward.
- Persuaded the Council to improve the lighting on The Ponderosa.
- Ensured removal of fly-tipping on Freedom Road, Fox Road and near Mushroom Lane.

Logan litter - picking in Upperthorpe

Logan, Bernard and other Greens have supported local people needing help in these challenging times.

We've collected frequently, since Covid began, for the S6 Food Bank, outside Asda on South Road and at Hillsborough Corner. We've gathered cash, hundreds of crates of food and other essential items.
