# LOGAN ROBIN

Green Party Candidate for Walkley

SHEFFIELD CITY COUNCIL ELECTIONS 2022 • THURSDAY 5TH MAY

Dear Neighbour,

Council elections are on Thursday 5th May. Last year you elected Bernard Little as Walkley's first Green councillor. I'm writing to ask for your support so I can join Bernard as Walkley's second Green councillor. Here's why:

- **I'm a hard worker who leads by example.** We want a cleaner Walkley, so I organise and take part in litter picks. We need to support local people, so I volunteer at the S6 Food Bank. Our roads need to be safer, so I work to get speed detectors installed. I do this all year round and will be able to do even more if elected as your second Green councillor.
- **I'm a local.** It's important that your councillors have a connection to the area, as Bernard and I do. My family moved from Hillsborough to Walkley almost 20 years ago so I understand the area, its people and its needs.
- **We can change our area for the better.** As your local councillor, I will be able to stand up for residents and businesses, and press for change. Bernard has achieved a great deal as Walkley's first Green councillor; but our area requires more Greens to get the changes we need.

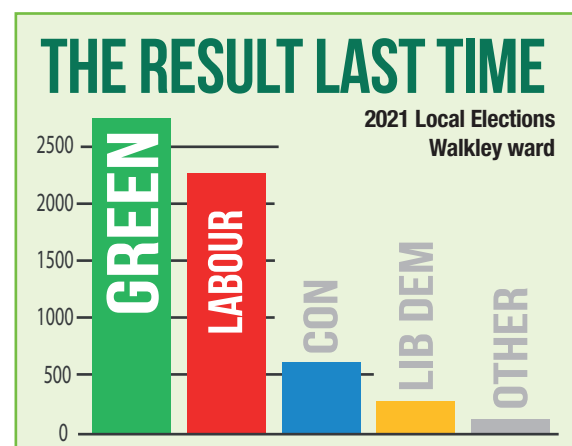

I promise to be a hard-working councillor who always puts the interests of local people and communities first. Please use your vote to elect me to Sheffield City Council on 5th May.

Yours sincerely

**Logan Robin**

Green Party candidate for Walkley

**PS - This election is about local issues and it's between Labour and Greens here.** Greens offer a real alternative to Labour, working hard for you all year and reporting back in regular newsletters.

# FOUR REASONS TO VOTE FOR LOGAN

## LOGAN IS FREE TO STAND UP FOR OUR AREA

Green councillors are free to stand up for you on Sheffield Council.

Other parties tell councillors how to vote - even if it isn't what's right for their area.

**GREEN PARTY COUNCILLORS**

FREE TO SPEAK UP FOR YOU

**COUNCILLORS FROM OTHER PARTIES**

TOLD HOW TO VOTE AND WHAT TO SAY

## GREENS KEEP YOU INFORMED

Green councillors make sure that residents know what is going on.

Walkley Greens are the only party that deliver regular newsletter updates to residents throughout the year - not just at election time.

Many people tell us how much they value this.

Logan and Bernard will continue to keep you updated with what they are doing on Sheffield Council and in the community.

## LOGAN CAN WIN, WITH YOUR SUPPORT

**It's between Labour and Greens here.**

In the last local election, people in Walkley elected a Green councillor.

The choice on May 5th is clear.

You could vote for a Labour candidate you only hear from at election time.

Or you could vote for Logan to work in partnership with Bernard all year round.

**The other parties can't win here.**

## OUR ENVIRONMENT FIRST – FOR REAL

Green councillors in Sheffield continue to push Labour to work with us to take the urgent practical action our city needs to address the climate emergency right now.

By electing a Green Party councillor, you are sending a clear message that our council needs to do more.

**This includes creating green jobs to properly insulate homes and reduce heating bills, which benefits us all as gas prices soar.**
