COST OF LIVING

The cost-of-living crisis is causing unprecedented pressures on people already struggling and facing hardship this winter.

Your local Green councillors have supported the council in setting up Broomhill Library on Taptonville Road as a Welcome Place.

Cllr Maleiki Haybe, Cllr Angela Argenzio and Cllr Brian Holmshaw at Broomhill Library Welcome Place

Cllr Brian Holmshaw commented "Please come along and use the Welcome Place. It's a place where you can find somewhere to sit, receive a welcoming smile, enjoy a little company, get warm and stay warm."

Opening hours are: Monday, Wednesday and Friday 10am - 5pm. Tuesday and Saturday 10am - 1pm.

GREEN LIGHT FOR GREEN WALL!

Plans are well underway to create a green wall at the corner of Fulwood Road and Glossop Road in Broomhill. Economic Recovery Funding has made this possible.

Cllr Argenzio has supported traders through the planning application for a green wall that will not only soften and improve the look of the building but also

provide a living barrier that will absorb pollution in one of the most polluted zones in this area.

WELCOME TO SHEFFIELD STUDENTS

A very big welcome from your Broomhill & Sharrow Vale Ward Cllrs Angela Argenzio, Maleiki Haybe and Brian Holmshaw to new students at University of Sheffield and Sheffield Hallam University. **Did you know this is the ward with the most students in Sheffield!**

Don't forget that good relations are vital to our neighbourhoods. There are several local residents groups who work with

students and a Student Good Neighbour Forum which meets every two months. Contact us for details.

Your three elected Green councillors in Broomhill and Sharrow Vale work hard to support students and make your stay in Sheffield enjoyable. You can contact us with your ideas and your concerns all year round. Find our contact details on the reverse.

- Contributed to the **Local Plan** - through cross-party work, Greens steered the council to publishing a draft local plan for new buildings for the next 15 years.
