WINTER 2022/23

NO 10 BUS

The loss of the number 10 and 10a bus in August has left some areas of the ward without a bus service. The service was vital for people in this area, particularly as it was the only bus route to the Hallamshire Hospital.

Your Green councillors have asked for the service to be reinstated by contacting the South Yorkshire Mayor, who has responsibility for public transport across the region.

MORE MONEY FOR TRANSPORT

Sheffield Greens want to raise more money for local transport.

Sign our petition for an Employers Workplace Parking Levy on larger employers, which would bring in millions of pounds a year for better public transport, like it has in Nottingham: bit.ly/WPL22

FOOD WASTE TRIAL

Your Green councillors worked on getting a household food waste trial set up across Sheffield. The trial area covered part of this ward and it helped households to recycle food waste.

Feedback was collected about the trial so that any future service can be as effective as possible.

Figures show that a high number of households participated in this area.

We will continue to push for a permanent, city-wide food waste recycling service.

COMMUNITY SUPPORT

Cllr Paul Turpin and Cllr Alexi Dimond with new defibrillator at GV Foodbank

The Foodbank at Gleadless Valley Methodist Church is supporting the community in many ways.

They are offering a warm and friendly space twice a week; their doors are open 9.30am - 3.30pm on Wednesday and 10am - 3pm on Friday.

The Foodbank is 11.30am - 2.30pm on Friday.

An advice worker from Citizens Advice is available on Monday, Wednesday and Friday. For more information info@leadlessvalley.foodbank.org.uk or call 0114 2530315.

Your Green councillors support Gleadless Valley Foodbank projects and also helped with their recent request for a defibrillator.

COMMUNITY SAFETY

Residents alerted councillors to an issue with the lights and concerns about night time safety at Newfield Green shopping centre. Your local councillors acted quickly to ensure the lights were fixed.

Many issues are resolved following contact with councillors, such as removal of fly-tipping and rubbish, replacement of damaged/missing bins, housing repair and lighting.

Your local councillors are here to help so please don't hesitate to get in touch if you have any issues or concerns in the ward.

GREENS IN SHEFFIELD

Sheffield's Green group of 14 councillors

In the last few months the Green group have made significant progress in the council, working to make Sheffield fairer, safer and more sustainable.

We have:

- Passed a **renewable energy** motion to commit the council to look into renewable energy installations on council owned buildings and new buildings.
- Passed an amendment on **period poverty** which focuses on the provision of free sanitary products in public buildings such as libraries and community centres.
- Proposed a **cost of living** working group in the council. A package of support is now available to anyone in need and a network of Welcome Places has been created.
- Contributed to the **Local Plan** - through cross-party work, Greens steered the council to publishing a draft local plan for new buildings for the next 15 years.
- Acted on **clean air** - Greens have steered and supported the implementation of a Clean Air Zone, which has released millions of pounds in grants to support taxi drivers and small businesses.

CROWNING GLORY

Crowning Glory on the Meersbrook Park bowling green in October was a fantastic community event.

It was a chance for the local community to come together to try crown green bowls with some expert guidance and play other lawn games. Thank you to everyone who made it a great day.
