

THE SHEFFIELD GREEN

WORKING FOR THE
LOCAL COMMUNITY

Hillsborough Green Party Newsletter
January/February 2023

Delivered by volunteers to 9500 households in Hillsborough, Leppings Lane, Malin Bridge, Owlerton, Philadelphia, Wadsley and Wisewood

COST OF LIVING AND WINTER HELP

Toby & Christine with The Green Shop owner Sam Grayson

Helpful council information and advice is here if you are struggling with money, energy, food and bills bit.ly/sheffcol. “Welcoming Places” to keep warm are listed here bit.ly/vas-warm including Hillsborough Library and Leisure Centre plus some local churches. We continue to hold street collections for S6 Foodbank at The Green Shop, Wadsley Lane on 4th Saturdays (10am -12noon). Please phone us if you don't have website access and need help.

May 2023 Council election candidate **Toby Mallinson** comments: “Greens were out gritting pavements in the December freeze. We focused on steep hills and priority routes - I gritted **Dykes Lane** up to the shops. Helpful information, including grit bin locations, is at bit.ly/winterpavements”

SPEED CAMERA ON THE MOVE

A **Vehicle Activated Sign (VAS)** is now moving around Hillsborough to slow speeds in key locations. **Henry Nottage** comments:

“The VAS is most effective at slowing drivers when in place for a few weeks only. This sign has been on **Ball Rd, Taplin Rd & Hallowmoor Rd** and will move to **Dykes Lane, Marcliffe Rd & Rural Lane** and keep rotating.”

BUS SERVICES & SHELTERS

Recent bus cuts mean people can't get to work, shops and medical appointments in winter conditions. **Christine Gilligan Kubo** comments "I continue to raise poor bus services in Hillsborough with the South Yorkshire Mayor and push for a more frequent 31 service for **Loxley** and **Wisewood**."

There's a new bus shelter by **Wadsley Church** on **Worrall Rd**. **Toby** comments: "We reported the dilapidated shelter after local resident Denise (pictured with Toby) contacted us, plus the now replaced temporary bus stop on **Laird Rd** corner. **SYPT** is looking for an alternative location for the shoppers bus shelter on **Middlewood Rd** opposite **Hillsborough Exchange Shopping Centre**, recently removed due to underground safety issues."

LOCAL COMMUNITY SUPPORT!

The **Hillsborough Together** local businesses group ran a successful late night Christmas shopping event - **Henry & Christine** pictured with Spiderman! New community gardens are thriving on **Holme Lane, Rudyard Rd** (near Hillsborough tram stop) and a new project you could help with run by **Friends of Wisewood & District** at **Wisewood Park** (volunteers pictured tree planting with **Toby & Christine**).
