

# THE SHEFFIELD GREEN

WORKING FOR THE LOCAL COMMUNITY

HILLSBOROUGH, LEPPINGS LANE, MALIN BRIDGE, OWLERTON, PHILADELPHIA, WADSLEY AND WISEWOOD

SPRING 2023

## TOBY MALLINSON

IS THE GREEN CANDIDATE HERE IN THE MAY 4TH COUNCIL ELECTIONS

Toby says: "I've lived in Hillsborough for 32 years and know this area very well. I'm a part-time Trade Union Officer supporting education workers across Sheffield. I work in a Green team alongside **Christine Gilligan Kubo** and **Henry Nottage**. Both are responsive councillors who get things done and give local people a voice.

"Hillsborough Greens actively engage with, and support, local communities. We founded and run the **S6 Community Litter Pick** and continue monthly street collections at **The Green Shop, Wadsley Lane**, for **S6 Foodbank** to help people through the cost of living crisis.

"If you elect me, I will work hard to improve local people's lives."

## MAKE YOUR VOTE COUNT ON 4<sup>TH</sup> MAY

Greens offer a real alternative to Labour in this area, working hard for you year round and reporting back in regular newsletters.

On 4th May - it will either be me, or the Labour candidate. No other parties can win here.

# HILLSBOROUGH TOGETHER!

The **Hillsborough Together** local business group is council funded to make **Hillsborough Shopping Centre** brighter and more appealing. Work includes supporting businesses with new shop fronts and shutter art, benches and cycle racks, Shop Local signs, seasonal events to support local shop use, children's events including trails, Christmas lights and the **Christmas Tree** (pictured) just planted in **Hillsborough Park**.

Toby says: "A diverse range of cafes, restaurants, shops and micropubs have opened recently attracting new people to visit and businesses to open. I'm working with Henry and Christine to ensure Hillsborough Together's council funding continues, seeking to expand support into other areas of Hillsborough."

# SHEFFIELD COMMUNITY TRANSPORT

Changes to bus services have affected many people. Toby says "Many older and vulnerable people in **Loxley**, **Wadsley** and **Wisewood** have lost their frequent, 7 days a week, option for daily shopping, medical appointments or just getting out of the house.

"**Sheffield Community Transport (SCT)** offer pre-booked help for vulnerable people for shopping, appointments and social visits either on door to door buses or by volunteers in private cars. See <https://sheffieldct.co.uk> for full information, including opportunities for volunteer drivers.

"Christine and Henry are exploring more council funding for SCT so more people can use their services while we continue to push for bus services to return to public ownership."

## HILLSBOROUGH COMMUNITY SPEEDWATCH

A community led project organised by local resident **Matthew Barker** needs your help. Matthew says "This new initiative aims to raise awareness of road safety and encourage safer driving in Hillsborough. We'll be getting out and about with speed monitoring equipment to remind drivers that our roads should be safe places for all ages and that **20 is plenty!**"

"Working with **South Yorkshire Safer Roads Partnership**, we're starting with a trial scheme in the **Marlcliffe Road** area to determine local interest. Please search for **Hillsborough Community Speedwatch** on Facebook to find out how you can get involved and join the group!"
