## NETHER EDGE & SHARROW WARD

BRINCLIFFE, HIGHFIELD, NETHER EDGE, LOWFIELD AND SHARROW

SPRING 2023

# ELECT BEV BENNETT

Nether Edge and Sharrow candidate Bev Bennett

Bev Bennett is standing for election in Nether Edge and Sharrow on 4th May.

Bev said, "I have been working with your Green Councillors Maroof Raouf and Peter Garbutt, and talking to people about Greens making a real difference.

My family are from this area, so I know the communities here.

I put community at the heart of everything I do, and I am part of it.

This gives me the opportunity to truly engage with, and represent, people in Nether Edge and Sharrow.

The outcome of the Independent Inquiry into the tree felling is a really good example of why we need Green councillors - to stand up for people and the environment!

With your support on 4th May I can be elected to join Maroof as your Green councillor in Nether Edge and Sharrow.

Please help to keep this area Green."

# COMMUNITY MATTERS

*Bev Bennett runs events for the community at Dalton Court, Aizlewood Road*

Dalton Court Community Centre, off Abbeydale Road, is now buzzing with activity. Bev Bennett and her team are providing a welcoming and inclusive place for people.

Bev said "There's been a great response which shows that this kind of community space is really needed. I'm looking forward to doing more and I'm already planning Windrush events for June."

# STREET TREE INQUIRY

*Cllr Maroof Raouf in Nether Egde where hundreds of healthy trees were felled*

Green councillors secured an Independent Inquiry into the needless felling of healthy street trees. The report identifies "serious and sustained failure of strategic leadership" in the Labour administration at the time.

Greens were the only party that objected to outsourcing the work on Sheffield's streets and raised questions about the PFI contract.

If it wasn't for Greens securing the inquiry, the truth would not be exposed.

Cllr Maroof Raouf said "It is clear that a single party administration is not good for democracy as decisions are made behind closed doors. Many people in this area have been completely let down by Labour

**We need Greens to make the council more transparent and open."**

## ABBEYDALE ROAD BUS LANES

You may have heard about red lines and bus lanes on Abbeydale Road.

There is lots of misinformation around so Greens have produced a mythbuster to help separate fact from fiction.

You can see it at

## NO 10 BUS

The no 10/ 10a bus service, which ended in August 2022, has still not been reinstated.

Bev said "Please sign the petition to reinstate the much-missed no 10/ 10a bus, the only bus service to the Hallamshire hospital for many of us."
