

THE SHEFFIELD GREEN

WALKLEY WARD

WALKLEY, LOWER WALKLEY, UPPERTHORPE, LANGSETT, BIRKENDALE, CROOKESMOOR, BOLE HILL & NETHERTHORPE

MARCH 2023

ELECT ASH ROUTH

Walkley candidate Ash Routh

Ash Routh is standing for election in Walkley on 4th May.

Greens came second here last time, just 98 votes behind Labour

Ash said, "I have been working closely with your Green Councillor Bernard Little, and talking to people about Greens making a real difference.

The outcome of the Independent Inquiry into the tree felling is a really good example of why we need Green councillors - to stand up for people and the environment!

"With your support on 4th May I can be elected to join Bernard as the second Green councillor in Walkley."

Bernard said "Ash will be real asset to this area and another strong Green voice. Electing Greens helps to keep the council in no overall

control and the parties have to work together- which is better for democracy and openness."

SAFER STREETS AND BETTER BUSES

Ash and Bernard have been talking to residents about the traffic calming measures in Walkley.

Government funding was received for implementing the safer neighbourhood schemes in this area, this includes new secure bicycle storage, which will be installed soon.

Ash said “Many residents welcome the measures as they make the area safer.

The safer streets make a big difference to children and parents with prams, also those using wheelchairs and mobility aids.

We know that there are still many barriers to people getting about and it is essential to have reliable transport services such

Ash Routh and Cllr Bernard Little

as Community Transport. Contact www.sheffieldct.co.uk or 0114 2859906 if you want to arrange a ride.

This service is particularly vital at the moment whilst the bus services are lacking. Please sign the petition to re- instate the much-missed no 10/ 10a bus.”

STREET TREE INQUIRY

Green councillors secured an independent inquiry into the needless felling of healthy street trees. The report identifies “serious and sustained failure of strategic leadership” in the Labour administration at the time.

www.sheffield.gov.uk/your-city-council/independent-inquiry-into-street-trees-dispute

Bernard said “Greens were the only party that objected to outsourcing the work on Sheffield’s streets and raised questions about the pfi contract.”

Ash said “If it wasn’t for Greens securing the inquiry, the truth would not be exposed. I was involved in the protests and am pleased that everyone who fought for nature and democracy has been vindicated.

It is clear that a single party administration is not good for democracy as decisions are made behind closed doors.

We need Greens to make the council more transparent and open.”

PAVEMENTS FOR PEOPLE

There are many families with young children in this area. Unfortunately, they are facing unnecessary danger when travelling to school along Walkley Road as the pavement is being driven on by motorists.

A group have formed to discuss how to deal with this issue and your Green Councillor Bernard Little has been supporting them.

Bernard said “On Walkley Road it is incredibly dangerous for people using the pavement. I am particularly concerned that children are being put at risk so have been pushing the council for a solution to keep the pavements for people.

Greens welcome initiatives such as School Streets as these help to keep children safe as they enter and leave school.”
