

ABOUT ANGELA

Since being elected in 2019, Angela has worked all over Broomhill and Sharrow Vale Ward, consistently helping people with issues like parking, poor housing, noise disturbance and grants for local businesses.

Angela and fellow Green councillors support community groups; they attend meetings and raise their issues, they get involved with community events and regular litter picks.

This work happens all year round, not just at election time.

With your support, Angela can continue the good work in Broomhill and Sharrow Vale.

Supporting re-opening of Sunnybank Community Centre to help with cost of living

Cleaning up the Porter River

SHEFFIELD GREENS

Sheffield's Green group of 14 councillors

Angela, Brian and Maleiki are part of the Green group of 14 councillors, working both in our communities and on the Council. This year, we have committed the council to:

- **renewable energy** installations on council buildings and new buildings
- a **cost of living** working group to create a network of Welcome Places
- secure funding for vital **advice services** to support people in times of need
- **reduce inequality** by providing funding to communities which need it most
- a **nature and biodiversity** working group to help tackle the nature emergency
- **protect vital public services** through the council's budget-setting
- look into **social care cooperatives** to address

the social care crisis

- consider providing free sanitary products in public buildings to help with **period poverty**
- Support national electoral reform, in favour of **Proportional Representation**
- make **streets safer** for everyone, by supporting School Streets and 20mph zones in residential areas
- act on the Lowcock report after securing the **independent inquiry into street tree felling**

Since Labour lost overall control in 2021, the parties are forced to work together.

The Lowcock report into the needless felling of healthy street trees is a stark reminder that the lack of transparency, openness and honesty in the previous Labour administration was catastrophic for our city.

Keeping the Council in no overall control is better for open and transparent decision making.

Keeping the Council in no overall control is better for open and transparent decision making.

GREENS KEEP THE COUNCIL BALANCED
