RETURN OF NO. 10 BUS

The 10/ 10a bus service has been reinstated.

When the service stopped last August, Greens shared a petition straight away.

We collected over 1000 signatures and thank everyone who signed it.

Brian said "I'm very pleased that the campaign to reinstate the no 10 was successful- it's a vital route for hospitals, schools and shops.

For many people, losing the only service to Hallamshire Hospital was catastrophic - they couldn't use a bus to get to appointments and medical staff lost their bus route to work. Thank you to everyone who signed the petition."

SUPPORTING HANOVER TARA

Cllr Angela Argenzio and Cllr Brian Holmshaw at Hanover

Your Green councillors support the Tenants and Residents Association (TARA) at Hanover.

Residents have recently reported damp and mould and fly- tipping and we've helped tenants get action on these issues.

Cllr Maleiki Haybe proposing Green motion in council meeting

Green councillors have shown solidarity with the Palestinian people, speaking out in council meetings, at demonstrations and in the press.

Greens have been clear and consistent in our calls for an immediate and permanent **ceasefire** in Gaza.

Cllr Maleiki Haybe said "Our motion passed with cross-party support. The motion is significant for Sheffield, as well as solidarity with Palestinian people it shows we can recognise injustice, and **commit wholly to justice**. That means justice for people in Sheffield too. Whether it's for education, health or transport."
