SMALL PARK BIG RUN

Cllr Alexi Dimond opening Small Park Big Run

Small Park Big Run in Meersbrook Park is a fantastic event, involving the community and linking us in solidarity to people in Palestine.

Cllr Alexi Dimond opened the run with a powerful speech.

This year, alongside the 24 hour running challenge there were guest speakers from Palestine, a tree planting, a performance from 6 community choirs and the usual lantern making and live music.

Thank you to all involved.

RETURN OF NUMBER 10 BUS

On 24th July, the much-missed service returns.

Your Gleadless Valley Green Councillors campaigned for its return as soon as it stopped last August. We are delighted this was successful.

Over 1000 signatures were collected by the GV TARA and local Green councillors - thank you to everyone who signed - it really made a positive difference.

CALLow COMMUNITY HUB AND CCTV

Callow Towers now has a community hub. Neighbourhood teams are on-site every weekday.

Your Green councillors have secured CCTV and steel shutters.

Cllr Alexi Dimond said "I have been working with residents to demand CCTV be installed as the blocks were subject to numerous arson attacks over the last few years.

"Sadly the CCTV was not installed earlier as it may have prevented the tragic murder of Abdullah Hassan.

"I hope these measures will help people in the Callow Blocks feel more secure and reduce the risk of further incidents in the future."

POST PROBLEMS

Your Green councillors have been supporting residents and posties since postal rounds have been removed.

Cllr Marianne Elliot delivered letters to residents to keep them informed about missing post after Royal Mail revised their postal rounds.

Marianne said "The removal of some rounds has made the remaining rounds bigger, this is clearly impacting the workload for posties and is not sustainable. Sadly, it's highlighted a national issue.

"The community support for posties has been amazing. If you want to know more or have been affected by postal issues please let me know."

HERDINGS 20MPH

A new 20mph zone in Herdings is coming soon.

The reduced speed limit will reduce the likelihood of accidents, improving the environment for residents and making the streets safer for everyone.
