AUTUMN 2023

RETURN OF NUMBER 10 BUS

The 10/ 10a bus service, which ended in August 2022, has been reinstated.

Greens shared a petition and collected over 1000 signatures. Thank you to everyone who signed the petition.

Bernard said "This service is essential for people travelling to the city centre, Hallamshire Hospital and other parts of the city. It's really pleasing to see that the campaign was successful."

WALKLEY LOW TRAFFIC NEIGHBOURHOOD

The measures to improve safety and encourage walking, cycling and wheeling have now been made permanent.

Cllr Little said, "This means safer streets and is a step forward in cutting air pollution and towards more climate friendly neighbourhoods."

HOWARD ROAD PEDESTRIAN CROSSING

Cllr Bernard Little on Howard Road

Howard Road will be getting a **pedestrian crossing**. This will make the area safer for everyone. Plans are being drawn up and we should see a crossing in place in 2024.

GREEN SPACES AND NATURE RECOVERY

In July, St Mary's Church hosted a very well-attended meeting for residents in the Central LAC (Local Area Committee).

Attendees contributed a wealth of ideas on how our Council responds to the devastating loss of birds and insects, by improving wildlife habitats, and our green spaces. Glyphosate use, installing swift boxes and wildflower meadows were high on the agenda.

Thank you to all who attended, we hope you enjoyed it. Please get in touch if you have ideas for topics to discuss in public LAC meetings.

SHEFFIELD'S 14 GREEN COUNCILLORS

Greens continue to work hard for fairer, greener, stronger communities across Sheffield

Bernard is part of the group of 14 Green councillors in Sheffield.

We are always willing to help with a wide range of issues and push for safe homes and streets for everyone.

As ever, we are focused on reducing the impacts of climate change and work on nature recovery and improved biodiversity.

No political party has an overall majority so the council remains in 'no overall control'

Along with the committee system, this makes the political parties work together.

All councillors have to take responsibility for decision making on the committees. Each policy committee has 4 Labour, 3 Lib Dem and 2 Green councillors. If you want to know more about how to input into any of the committees, please get in touch.

THANK YOU

In May, 1767 people voted Green in Walkley Ward.

Bernard said "Thank you to everyone who supports us at election time and throughout the year - we really value it."

FAMILY HUB

Did you know there is a Family Hub in Walkley?

**Primrose Family Hub,
45 Creswick Street S6 2TN.**

They offer face to face support, deliver activities for children aged 0-5 and offer help, signposting and support to parents/ carers. Drop in 8.30am - 4.30pm Monday - Friday.

UPPERTHORPE PRECINCT

Cllr Bernard Little in Uppertorpe

There are plans to improve the area and the final stakeholder consultation is going ahead.

Bernard said "Uppertorpe Precinct is an important space for the local community. It needs to be a safe, healthy area with clean air. I'm looking forward to seeing the area improved. All those involved are pleased the plans are finally going ahead."
