

A local election message from

BRIAN HOLMSHAW

Green Party Candidate for
Broomhill & Sharrow Vale

SHEFFIELD CITY COUNCIL ELECTIONS 2024
THURSDAY 2nd MAY

Dear Resident,

I am writing to ask for your help to re-elect me as your local councillor on 2nd May.

I would like to continue working in the community, alongside my fellow Green councillors, **Angela Argenzio** and **Maleiki Haybe**. Since being elected in 2021, I have worked all year round to address a very high casework rate on all sorts of issues: from parking and road safety to improving poor housing, from noise disturbance to grants for local businesses.

As a Green Group of Councillors we make up a diverse team that represents and embraces the diverse communities of this area. We work to preserve a balance between housing, retail and licensed premises in **Broomhill, Broomhall, Crookesmoor, Sharrow Vale** and **Ecclesall Road**. We support community organisations, tenants groups, churches, mosques and food banks as well as business groups and youth groups. I have constant interaction with, and attend, many community groups all over the ward.

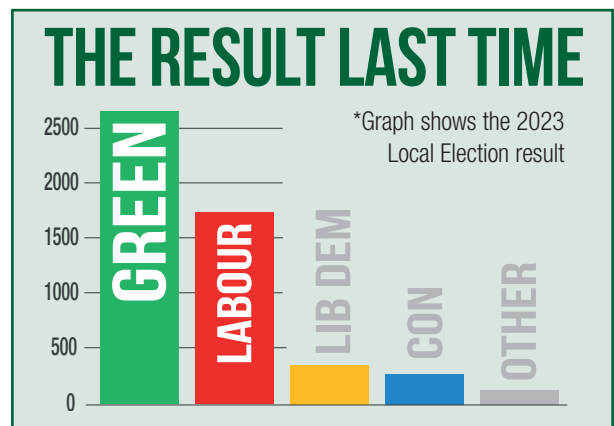

I hope to be always available and approachable and I am passionate about helping people in the city get better services and a better quality of life. As Chair of the Central Local Area Committee (LAC) I help fund services and chair residents meetings in Broomhill and Sharrow Vale, Hillsborough, Walkley and in City ward. I am proud of leading the committee and working truly cross party with my colleagues to achieve consensus on a wide variety of issues. We have focussed on creative and dynamic themes for our Central LAC meetings - such as regeneration, culture and heritage, sport and leisure, and parks and open spaces. I hope that over the last three years I have demonstrated how passionate and committed I am to my role as your local councillor.

Yours sincerely

Brian Holmshaw
