DOUGLAS JOHNSON FOR MAYOR!

You also have a vote for the South Yorkshire Mayor and Douglas is your candidate.

Douglas' key priorities are:

GREEN JOBS

Supporting jobs in small and independent businesses instead of multinationals. Promoting our manufacturing skill in renewable technologies, not subsidy to the aviation and defence industry. The Green economy is the future.

BETTER PUBLIC TRANSPORT

A Green Mayor will bring buses under public control, so we get a better service. And resources to local rail, not HS2. Douglas will work to make bus, train and tram travel more reliable, affordable and accessible so people have a choice how to travel.

MORE INVESTMENT IN THE NORTH

Pushing for the government funding needed to deliver true 'levelling up' in our region. Putting our health and climate justice at the heart of every decision.

SHEFFIELD GREENS

Brian, Angela and Maleiki are part of the group of 14 Green Councillors in Sheffield

Green councillors are a voice for their local communities, bringing new ideas to the council and pushing for all parties to work together for a fairer, greener, Sheffield.
