

# ABOUT DOUGLAS

Since being elected in 2016, Douglas has worked all over City Ward, helping people with issues like **housing repairs**, **school appeals**, getting **fly-tipping** cleared and supporting communities setting up new **pocket parks**. He also helps **local businesses** with applying for grant funding and new sustainability measures.

Douglas and fellow City Ward Councillors, **Ruth Mersereau** and **Martin Phipps** also deliver regular

**newsletters** to every household - to keep you informed.

Douglas attends meetings to speak up about **planning** and **licensing** decisions in the area. He pushes for better homes, more green spaces and challenges whether the city centre needs more gambling venues and 24-hour alcohol shops.

**City Ward Green Councillors** support local **community groups** by attending meetings and raising their issues and also work with campaign groups to make sure their voices are heard.

Douglas consistently pushes the council for more action on improving air quality, and better **walking**, **cycling** and **public transport** to address the climate emergency, as well as better **road safety**, especially for those most at risk.

With your support, Douglas can continue the good work in City Ward.

**Supported new Welcome Place drop-in at the Town Hall every Thursday at 10:30am - 3pm**

**Supported the renovation of Pinball Park**

**Took part in a community speedwatch on Shoreham St.**

**Helped residents with repairs to rented housing**

**Supported community events in Highfield**

## DOUGLAS JOHNSON FOR MAYOR!

You also have a vote for the South Yorkshire Mayor and Douglas is your candidate.

Douglas' key priorities are:

### GREEN JOBS

Supporting jobs in small and independent businesses instead of multinationals. Promoting our manufacturing skill in renewable technologies, not subsidy to the aviation and defence industry. The Green economy is the future.

### BETTER PUBLIC TRANSPORT

A Green Mayor will bring buses under public control, so we get a better service. And resources to local rail, not HS2. Douglas will work to make bus, train and tram travel more reliable, affordable and accessible so people have a choice how to travel.

### MORE INVESTMENT IN THE NORTH

Pushing for the government funding needed to deliver true 'levelling up' in our region. Putting our health and climate justice at the heart of every decision.

## SHEFFIELD GREENS

Douglas, Ruth and Martin are part of the group of 14 Green Councillors in Sheffield

Green councillors are a voice for their local communities, bringing new ideas to the council and pushing for all parties to work together for a fairer, greener, Sheffield.
