

**SHEFFIELD CITY COUNCIL  
LOCAL ELECTIONS 2024**

A local election message from  
**CLLR DOUGLAS JOHNSON**  
Your Green Party candidate for City Ward

Dear Resident of City Ward,

It's **local elections** on 2nd May and I am writing to ask you to re-elect me as your Green City Ward Councillor. I'd like to continue representing your interests, alongside my excellent fellow Green councillors, **Martin Phipps** and **Ruth Mersereau**.

We're a **voice for local people** – we keep you informed with our regular newsletters. We tell you about local issues, such as planning and licensing cases, so you can have your say. We support community groups, attend meetings and raise your issues. We respond to lots of direct queries and help wherever we can.

We hope you enjoy our newsletters and find them useful. Many people say that we are **the only party you hear from all year round**.

We stand up for people living in the ward – we have campaigned for better quality housing, for more green spaces, for improved air quality and for safer streets. We have helped with school place appeals, housing repairs and parking problems. We always speak up for the people who live in City Ward when it comes to big new developments in the city centre.

I was elected in 2016 and 2021. In that time, the council has changed from being controlled by a single party to one where all parties have to work together. It is a voice of **hope for the future**. By doing our best to make people's lives a bit better in this ward, we can help tackle global climate change.

I hope you will support me in this election so that I can continue the good work with my Green colleagues.

Thank you

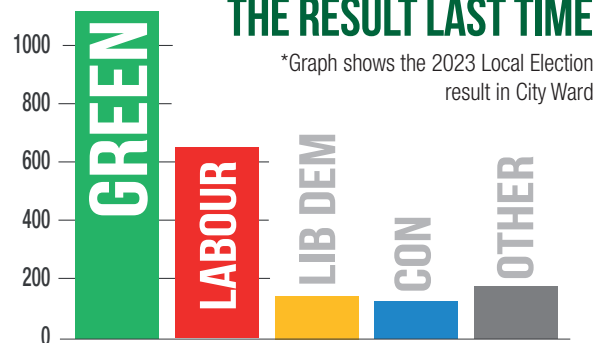

**Douglas Johnson**

**Green Councillor for City Ward**

PS – I am also standing for the post of **South Yorkshire's mayor**, so please vote for me on both ballot papers on 2nd May!
