DOUGLAS JOHNSON FOR MAYOR!

You also have a vote for the South Yorkshire Mayor.

Douglas' key priorities are:

GREEN JOBS
Supporting jobs in small and independent businesses instead of multinationals. Promoting our manufacturing skill in renewable technologies, not subsidy to the aviation and defence industry. The Green economy is the future.

BETTER PUBLIC TRANSPORT
A Green Mayor will bring buses under public control, so we get a better service. And resources to local rail, not HS2. Douglas will work to make bus, train and tram travel more reliable, affordable and accessible so people have a choice how to travel.

MORE INVESTMENT IN THE NORTH
Pushing for the government funding needed to deliver true 'levelling up' in our region. Putting our health and climate justice at the heart of every decision.
