SPRING 2024

RE-ELECT ALEXI DIMOND

Cllr **Alexi Dimond** is standing for re-election in May.

Since being elected in 2021, Alexi has been working hard for residents across **Heeley, Meersbrook** and **Gleadless Valley**, supporting people with casework like housing repairs, homelessness, street clearing and planning issues.

Alexi and Green Gleadless Valley colleagues **Cllr Marianne Elliot** and **Cllr Paul Turpin**, help community groups all over the ward. They attend TARA meetings and community meetings and provide support when it's needed.

Alexi consistently pushes for improvements to housing, access to green spaces, better walking and cycling routes, more youth provision,

homeless services and better help and support for people who need it.

In council, Alexi has spoken out in support of an immediate **ceasefire in Gaza**, more action on **climate and nature emergencies** and **cost of living** crisis.

Alexi said,

"I hope you will support me this year. When I talk to people in our area they often thank me for the Green newsletters and for helping with casework like getting rubbish cleared. I am proud to represent people in Gleadless Valley, Heeley and Meersbrook, I am not afraid to speak out and I have always been a strong voice for people."

GLEADLESS VALLEY MASTERPLAN

Cllr Alexi Dimond and Cllr Paul Turpin on Leighton Road

The regeneration of Gleadless Valley includes; good sustainable social housing (new and refurbished), local jobs and skills, clean streets and plenty of outdoor spaces for people to enjoy.

In the **Spotswood** area, the open space is being redesigned for children and families. Use the QR to comment on the consultation.

Your Green Councillors have been delivering letters and talking to residents whose homes will be affected by the Masterplan. Alexi said, "There has been a long delay getting the housing refurbishments and new builds started. It's understandable that this is causing frustration. We are pushing for new social housing on the Paddock Hill and Castelayn sites so

there will be homes that people can move into whilst other parts of the project are delivered. In the meanwhile, housing repairs and maintenance are still being carried out."

If you're a council tenant and have any repairs or maintenance issues in your home, please get in touch.

NEW ADVICE SERVICE

Your Green Councillors proposed a new outreach advice service in the area to help with the **cost of living**. You can get face-to-face advice about reducing bills, benefits, income maximisation and help with form filling.

Good advice can provide immediate help with living costs and can also bring about positive longer term changes. Heeley Trust are hosting the sessions, contact info@heeleytrust.org

Heeley Trust also provide a range of free community sessions and workshops.

CEASEFIRE NOW

Up to 40,000 people have now been killed in Gaza including over 14,000 children; while 2 million people have been displaced.

Greens locally and nationally have been clear and consistent in supporting humanitarian values and international law. In November 2023, **Cllr Alexi Dimond** proposed a **Green** motion calling for a **ceasefire in Gaza**.

Greens recently welcomed a 7500-strong petition calling for more action to support Palestinians.

FLY TIPPING

Cllr Alexi Dimond on Middle Hay Close

Your Green Councillors frequently report fly-tipping. Recently, fly-tipping has been cleared from **Middle Hay Close, Fleury Place, Sands Close and Blackstock Drive** because your councillors have reported it.

If you see any, please get in touch.

SAVE OUR COMMUNITY CENTRES

Our community centres are under review by the council. Your Green Councillors are working with local community organisations to help support the next steps for our community centres so that they remain **for our community** for many generations to come.
