## DOUGLAS JOHNSON FOR MAYOR!

You also have a vote to elect the South Yorkshire Mayor. Green candidate Douglas Johnson is a Sheffield councillor. Douglas' key priorities are:

- **Green jobs, for real.** Supporting jobs in small and independent businesses instead of multinationals. Promoting our manufacturing skills in renewable technologies, not subsidising the aviation and defence industry. The green economy is the future.
- **Better public transport.** Bringing buses under public control, so we get a better service. Directing investment to local rail, not HS2. Working to make bus, train and tram travel more reliable, affordable and accessible so people have travel choices.
- **More investment in the North.** Pushing for the government funding needed to deliver true 'levelling up' in our region. Putting our health and climate justice at the heart of every decision.
