CHRISTINE GILLIGAN KUBO

IS SEEKING RE-ELECTION HERE IN THE MAY 2ND COUNCIL ELECTIONS

Christine says: "I've lived in S6 for 31 years and know this area well. Toby Mallinson, Henry Nottage and I work as a team of responsive councillors. **We actively engage with the community and give local people a voice.**

"Since you elected me in 2021, I've worked hard helping hundreds of residents with everyday problems and issues. You can regularly see me outside **The Green Shop, Wadsley Lane**, organising our monthly street collections for **S6 Foodbank** to help households in need through the cost of living crisis.

"I remain committed to working hard for Hillsborough. Please use your vote to re-elect me on May 2nd."

VOTER ID NEEDED

You now require **Photo ID** to vote at a polling station. Go to www.sheffield.gov.uk/your-city-council/voting for a list of acceptable forms of identification and to apply for a free Voter Authority Certificate by **April 25** if you need it. Also apply there for a postal vote by **April 16**.

52A BUS COMING BACK!

The 52a bus is returning to **Wadsley, Loxley and Wisewood** as a half hourly daytime only Monday to Saturday service from April 8th. The 31 will be rerouted to run as now between the city centre and Hillsborough then continue to Parson Cross via Fox Hill.

Christine says: "This is great news. Hillsborough Greens joined with many others to campaign about the lasting damage done to individuals and our communities when the 52A was removed in October 2022. Thanks are due to the organiser of the 2400

signature "**Save the 52A**" petition and the excellent ongoing **Better Buses for South Yorkshire** campaign.

"The campaign for better services continues. As your local councillors, we will continue to make the case for service improvements across Hillsborough ward. **We need the restoration of evening and Sunday services.** Buses should be for people and not for profit."

THINK BEFORE YOU PARK

Coming soon to **Marlcliffe, Malin Bridge, Wisewood Community and Hillsborough Primary Schools!**

Christine says: "We have been working with Council Officers to fund these signs which will remind motorists to slow down and park appropriately near schools.

"We want to keep our children safe so please take care and be considerate when parking near our schools and don't forget to turn your engine off."
