# RE-ELECT MAROOF RAOUF

Your Green Councillor, **Maroof Raouf**, is standing for re-election in May.

Since being elected in 2021, Maroof has worked hard for residents in Nether Edge and Sharrow, supporting people across the ward with casework like housing repairs and CAZ appeals.

As a former **teacher** and now Deputy Chair of Education, Children and Families Committee, Maroof is committed to securing the best opportunities for our young people and fighting for inclusivity and accountability across the services.

**Nether Edge and Sharrow has one Green councillor - Maroof Raouf.**

The other two councillors are Labour.

Remember, when you vote in the May local election, **there are no Tory councillors here!**

Maroof said, "I hope you will support me this year. When I talk to people in our

"In the council I have spoken about many things including the need for an immediate ceasefire in **Gaza**, tackling **period poverty** in Sheffield and **opposing the government's decision to end the Household Support Fund** which has helped thousands of people living in poverty."

# COST OF LIVING

Your Green Councillor Maroof Raouf spoke out against ending the vital Household Support Fund. The Fund provides non-repayable grants to help people living in Sheffield with food and other household costs such as energy.

Maroof has supported people to claim for help with paying for food, gas and electricity, telephone and internet, clothing and household items.

He warned of the government decision to end the Fund "There's nothing short of a catastrophe waiting to happen".

Green councillors proposed a £40/week uplift to Universal Credit to help address systemic poverty, even though the other parties refused to support it.

# SAFER CROSSINGS

# CAMP FOR GAZA

Green Councillors with campaigners outside Sheffield Town Hall

During a cold week in January, two Palestinian women camped outside the Town Hall. Their week-long campaign was to draw attention to the 2 million people in Gaza who have been displaced or killed.

Greens have been clear and consistent in supporting humanitarian values and international law.

In November 2023, the council passed a Green motion calling for a ceasefire in Gaza.
