

GREENS IN SHEFFIELD

**ELECTED GREENS MAKE A HUGE DIFFERENCE TO OUR COMMUNITIES ACROSS SHEFFIELD.
HERE IS A SNAPSHOT OF GREEN ACTIVITY ACROSS THE CITY.**

Greens continue to push for more infrastructure to help people get about on public transport and better walking and cycling routes. We successfully brought a motion to council to make Sheffield a pedestrian friendly city!

Successfully campaigned for the number 10 bus

Greens act on the climate and nature emergencies. We have supported a natural flood management feasibility study into reintroducing beavers and worked on a nature recovery strategy to improve biodiversity. Councillors get stuck in with river clean ups and planting work days too!

Worked to keep Sheaf and Porter Rivers clean

Made streets safer for people from Pinstone Street to West Bar

Full council endorsement to make Sheffield a Pedestrian Friendly City

Championed a beaver feasibility study

Organised Sphagnum Moss planting in the Moors

Planted fruit trees in a new community orchard

Joined mass community bike rides and Kiddical Mass

Championed the Sheaf Valley Cycle Route

Green councillors support a variety of community events and festivals that reflect our diverse population across Sheffield.

Worked with community partners and the council to host a community Iftar

Helped with funding and support for the first Kelham Pride

Green Party

www.sheffieldgreenparty.org.uk

Greens help with heritage, planning and licensing matters. We have made positive changes to planning applications and spoken out about new gambling venues and proposals to penalise vulnerable people. Greens have successfully challenged new billboards in public spaces and welcomed new responsible advertising across the city.

Promoted a progressive advertising policy for Sheffield

Called for urgent action to protect our unique industrial heritage

Spoke out against a punitive Public Space Protection Order

Got electric bicycle storage for new homes

Greens are helping to tackle the effects of the cost of living crisis; creating a new advice service in Gleadless Valley and running regular foodbank collections in Walkley, Ecclesall, Broomhill & Sharrow Vale and Hillsborough.

Regular foodbank collections across the city

Led a new initiative to deliver free advice in community centres

Greens have been clear and consistent in our calls for a ceasefire in Gaza and a solution based on a lasting peace and ending the occupation. Our successful motion to Sheffield Council has been used all over the country.

Attended regular demonstrations

A strong voice in meetings, demos, panels and the press

Consistently campaigned for rights of people in Gaza

Greens are changing the narrative on public health to focus more on prevention.

We also support local organisations, groups, support services and safety initiatives that benefit our communities.

Set up a group for mums of children with autism

Influenced public health and wellbeing policy

Successfully called for Safe Square to continue

Green councillors also deal with hundreds of casework requests for residents. Including tonnes of reports of fly-tipping and rubbish, and help with highways issues, lighting, anti-social behaviour, school admissions and housing repairs.

2024 WAS A BUSY YEAR FOR ELECTIONS!

Across the city, people voted to make Sheffield fairer and greener.

- The fantastic local election results put Greens into second place in Sheffield.
- The South Yorkshire Mayor election returned

the highest vote share for a Green mayoral candidate in the country.

- And, we achieved second place in 3 constituencies in the general election. Over a quarter of voters chose Green in Central.

We couldn't have done this without you!

Thank you, from (left to right) Maroof Raouf, Christine Gilligan Kubo, Marieanne Elliot, Toby Mallinson, Peter Gilbert, Alexi Dimond, Henry Nottage, Brian Holmshaw, Ruth Mersereau, Paul Turpin, Angela Argenzio, Maleiki Haybe, Douglas Johnson and Martin Phipps
