WINTER HELP & SUPPORT

Council winter help is available at bit.ly/WinSCC. Find grants you may be eligible for including the **Household Support Fund**. "Welcoming Places" to keep warm are listed at bit.ly/VASwarm including **Hillsborough Library**, **Hillsborough Leisure Centre** and some local churches.

Our monthly **S6 Foodbank** collections continue to help households in need. Please phone us if you don't have website access and need help.

52A BUS 7 DAYS A WEEK!

Toby says: "The Sunday service through to **Wadsley, Wisewood and Loxley** returned on September 1st. Your councillors have kept on pushing the South Yorkshire Mayor to restore adequate services but the 2400 signature petition and local residents clamouring for improvements really helped make this happen. I also kept pushing for a replacement bus shelter opposite **Hillsborough Exchange Shopping Centre**. It was removed due to subsidence issues but is now back, offering seating and weather protection for shoppers.

We need to get bus services back under under public control - complete the public consultation to help make this happen here www.southyorkshire-ca.gov.uk/bus-reform"

LOCAL COMMUNITY ACTION HIGHLIGHTS

Councillors welcome the new entrance and **Changing Places** toilet with disabled access at **Hillsborough Library**. Toby attended the half term **Always An Alternative** mobile youth club at **Winn Gardens**. **Christine** visited the **Wednesday Wadsley Fella-ship** at **Wadsley Church** who have received ward pot support.
