GREYSTONES, MILLHOUSES, BENTS GREEN, SILVERHILL, CARTERKNOWLE, BANNERCROSS & HIGHSTORRS

AUTUMN 2025

## MAKING ECCLESALL BLOOMING GREAT!

Ecclesall Green candidate Tessa Lupton started and led work on **fixing up the School Street planters** on Tullibardine Road. Tessa and Ecclesall councillor Peter Gilbert then planted wildflowers with pupils from Greystones Pre-School. Now the planters are **full of life**.

Peter helped **High Storrs Environmental Group** get permission to manage a neglected gennel. The group took off the grass and sowed wildflowers. If you'd like to join the group or want to care for some land near you, get in touch with Peter via the contacts overleaf. **Let's get our ward blooming!**

## COPING WITH THE COST OF LIVING

As the weather gets cooler it's a time when heating bills get higher. A **thermal imaging camera** will be on loan from Ecclesall Library, so residents can see where heat loss is happening in the home. Peter is supporting this Local Area Committee initiative.

For advice on heating and bills go to: [warm-homes.sheffield.gov.uk](http://warm-homes.sheffield.gov.uk)

Ecclesall Councillor Peter Gilbert and fellow Greens regularly collect for the Sheffield S6 foodbank on Ecclesall Road. The S6 foodbank, run by the Trussell Trust, supports people in need across the city. You can support online at [sheffields6.foodbank.org.uk](http://sheffields6.foodbank.org.uk)

It is time for everyone to contribute their fair share and help each other with the cost of living. The Green Party calls for a **fair, just and progressive tax system**.

## ROAD SAFETY IS FOR EVERYONE

Your Green Councillor, Peter Gilbert, has been supporting two local campaigns on road safety. Sheffield South-West Living Streets have recruited zebras to campaign for a crossing on Bannerdale Road! See more on the campaign at: [www.sheffieldswlivingstreets.org.uk](http://www.sheffieldswlivingstreets.org.uk)

Cyclist Adrian Lane was killed at the junction of Ringinglow Road and Common Lane. A campaign was set up to get improvements to the junction. Peter is pressing for the council to act. See [thelanecampaign.co.uk](http://thelanecampaign.co.uk)

## THIS LAND IS YOUR LAND

Reclaim our Moors is a new group aiming to take part of the Peak District into community ownership to help it become a thriving, ecologically diverse moorland. Moscar Moor is currently managed for grouse shooting, where moorland is burnt, causing air pollution affecting Sheffield residents.

Peter and Tessa are part of the campaign to have the moors as a community asset. See more at [reclaimourmoors.uk](http://reclaimourmoors.uk)
