Peter Gilbert

Candidate
Tessa Lupton

SHOP LOCAL FOR CHRISTMAS AND THE NEW YEAR!

Peter and Tessa working with our local independent shops for success in 2026

Peter and Tessa have been talking to local businesses about what would help them.

Ecclesall Ward Green councillor Peter Gilbert says "We're asking shops what they would like to see, both from Sheffield City Council and nationally". The Green Party wants changes to tax relief to support local cafes, pubs, and sustainable small businesses.

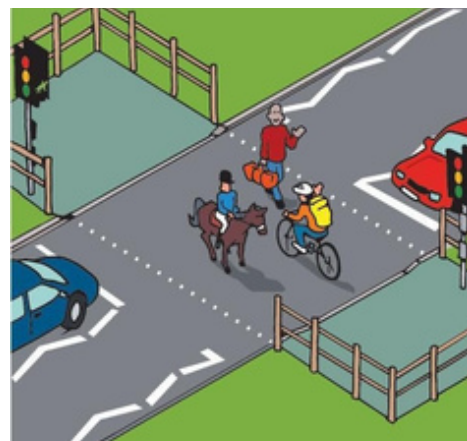

Tessa Lupton, our 2026 candidate for Ecclesall Ward, said "I'd love to encourage everyone to support our local shops this Christmas, if and when it fits your budget. Even small changes can make a big difference to our community."

PETER IS WORKING HARD FOR YOU IN ECCLESALL

Councillor Peter Gilbert has been working hard to get a good resolution to long-delayed resurfacing of Dunkeld Road and Banner Cross Road.

Peter says "After months of working collaboratively with independent highways engineers, the Street Tree Partnership and taking onboard the consultation responses, I'm hopeful these roads will be resurfaced this winter."

Peter can also share good news on Abbey Lane pedestrian crossings linking Ecclesall Woods. The Traffic Regulation Orders (TRO) will shortly be out for consultation. The proposed changes include a signal-controlled crossing that will allow people to walk, wheel and ride more safely in the woods. This will be your chance to comment on the long-awaited signal-controlled crossing and other safety measures on Abbey Lane.

Hold your horses! A Pegasus Crossing is coming soon.

RECLAIM THE NIGHT

Tessa at the Reclaim the Night protest in Endcliffe Park.

Ecclesall candidate, Tessa Lupton, attended 'Reclaim the Night' in Endcliffe Park.

Tessa is supporting the campaign to raise awareness of violence against women and girls, "As a mother of two young girls, I want to do everything I can to ensure the streets are safer for them."

Reclaim the Night is a national campaign fighting for women's safety and the right to walk freely without fear of violence. Tessa said "On average, one woman is killed by their partner or ex every five days in England and Wales. This is something that affects us all, including here in Ecclesall".

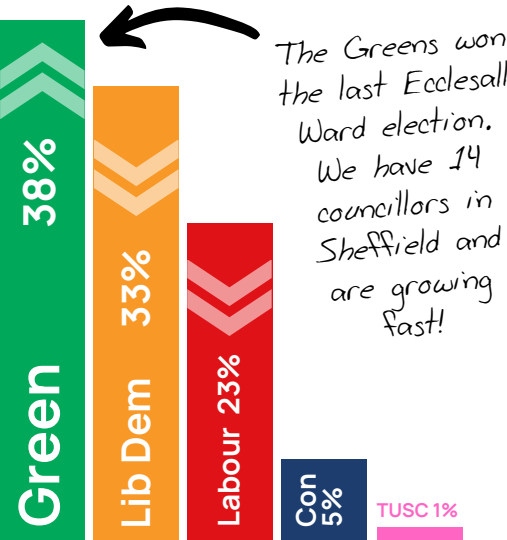

BUDGETING FOR THE COST OF LIVING

The Government's autumn budget failed to ease the cost-of-living crisis facing so many this winter. Green Party leader Zack Polanski said "It is a political choice to keep children in poverty whilst billionaires and multimillionaires get richer." Making water publicly owned and bringing in wealth taxes are just two ways The Green Party will create an economy that delivers a better quality of life for everyone. We look forward to welcoming Zack to our great city when he visits in January. It's a great start to what we know will be a successful 2026 as we Make Hope Normal Again.

Green Party leader Zack Polanski

GREENS ARE TOP IN ECCLESALL WARD!

The Greens won the last Ecclesall Ward election. We have 14 councillors in Sheffield and are growing fast!

In 2026, Tessa can join Peter as your second hard-working Green Councillor.

Reform UK are not campaigning in this ward. Greens are delivering hope and action. More and more people locally are switching from Lib Dem and Labour to the Greens because we are giving hope, speaking up for local people and getting things done.

Graph shows the most recent local election result in Ecclesall Ward

TIME TO JOIN THE GREENS
