

# THE SHEFFIELD GREEN GLEADLESS VALLEY

GLEADLESS VALLEY, HEELEY, MEERSBROOK, HERDINGS AND HEMSWORTH

SUMMER 2025

## FREE ADVICE

Here in Gleadless Valley Ward, you can get **free face-to-face advice** to help manage your household expenses. You could be entitled to discounts on your bills.

Your Green Councillors worked to get a **free 'cost of living' advice service** set up for our communities because it helps people to **manage bills, debts and stress**.

- Tuesdays at Heeley Green Community Centre 304 Gleadless Road
- Fridays at Terry Wright Community Centre 569 Gleadless Road.

Contact Heeley Trust for details :

## TIP YOUR TETRAPAKS

You can now take your tetrapaks to the waste and recycling centre at **Blackstock Road**. Many residents asked about **tetrapak recycling** whilst the recycling sites at supermarkets are unavailable.

Your Green Councillors repeatedly pushed the council on this issue. Recycling is now available at all the tip sites in Sheffield. Remember, you can always **contact your councillors to report rubbish and fly-tipping**.

## MYRTLE ROAD CROSSING

There will be a **new crossing on Myrtle Road at the junction of Anns Road**. Measures to improve safety on these Heeley roads have been agreed. The new crossing should help to keep vehicle speeds down and allow people to cross safely.

## BRINGING BACK THE BROOK

Meersbrook Park

The excellent partnership project to bring back more of the **Meers Brook** in Meersbrook Park is going well. The watercourse at the top of the park has been opened up and many volunteers have helped to build dead hedges and dams. The ecology-led project aims to help with **natural flood management and nature recovery**.

## GLEADLESS VALLEY FOODBANK

The fantastic Gleadless Valley Foodbank is back!

Pop in on **Fridays 12 - 2.30pm**

**At GV foodbank 189 Blackstock Road** - note the new venue at Gaunt precinct.

## HOME REPAIRS

*Cllr Paul Turpin and Cllr Alexi Dimond*

Whilst we are still waiting for work to start on new and refurbished homes in Gleadless Valley, your Green Councillors have pushed for a dedicated repairs task force. **If your council home has repairs and maintenance** that need to be dealt with, please contact your councillors.

## ROLLESTONE WOODS NATURE TRAIL

*Cllr Marianne Elliot with new sign board*

New **information boards** and a **nature trail** have been designed and installed in **Rollestone Woods** to help people enjoy the natural surroundings, wildlife and history.

A partnership project by **Valley Youth Hub**, **Heeley City Farm**, **GV Wildlife Trust**, **Percy Street CIC** and kindly supported by the local TARA - thank you to all involved

## VALERIE GARDEN

At Heeley City Farm, work is underway to improve the **Valerie Garden** - a place where people with dementia and their loved ones can spend time in a **tranquil outdoor space**.

A peaceful backdrop for reflection, comfort, and gentle exploration.

This work has been supported by your Green Councillors.

## GV TARA

Last year we said goodbye and thank you to **Sally Pedley**, outgoing Chair of **Gleadless Valley TARA**.

Welcome to new Chair **Matt Lawton** - a long-standing TARA member who stands up for the community in Gleadless Valley.

The TARA team hold regular meetings for residents, to find out more contact:

## HERDINGS YOUTH CLUB IS BACK!

## COMMUNITY YARD SALES

Your Green Councillors supported the **Heeley** and **Meersbrook** communities to ensure a community yard sale could go ahead as planned,

Please don't hesitate to contact your councillors if you need help with a local issue.
