SPRING 2025

CAUTION, ZEBRAS CROSSING!

Sheffield Living Streets put on a lively demonstration to highlight the urgent need for a zebra crossing on **Sheldon Road**. The event was attended by dozens of parents and their children - together with four Green Councillors - and was featured on the BBC and ITV!

Councillor Maroof Raouf and Ecclesall Councillor Peter Gilbert on Sheldon Road

Councillor Maroof Raouf deeply supports the initiative, he said; *"This is a very dangerous place to cross, especially in the early morning when children are on their way to school. It's really important that the council, as well as politicians, get on board and support parents and schools in keeping our children safe."*

SAY NO TO MCDONALD'S!

McDonald's are looking at building a new drive-through on **London Road**, close to **Lowfield School**.

If it goes ahead, this development will increase local traffic and increase the health risks to children at **Lowfield School**. It will also harm the local economy and the independent businesses in **Nether Edge & Sharrow**.

Councillor Maroof Raouf recognises these problems and supports the many local residents who object. Maroof said; *"Since the local community became aware of this proposal, lots of residents have contacted me with their concerns. I am committed to speaking up for our community and fighting against the development."*

A SUCCESSFUL PITCH

Councillor Maroof Raouf at Mount Pleasant Park cricket nets

The **Mount Pleasant Park cricket nets** have been very well used since Green Councillors got them refurbished in 2017.

The run-up is very worn and muddy so this will be repaired soon. Your Green Councillor Maroof Raouf is also pushing for the nets to be replaced.

Maroof said; *"I'm really pleased that the run-up will be repaired. Making sure we have free activities for our young people is one of my main priorities. These nets are vitally important for our young cricketers in Sharrow and the surrounding areas."*

READY FOR ADVENTURE

Councillor Maroof Raouf visiting Highfield Adventure Playground

The newly renovated **Highfield Adventure Playground** is looking amazing and almost ready to welcome visitors. It will **reopen in June**. Maroof is happy to see it coming together, he said; *"It is great to see that children from near and far will have many more years of exciting play at the best adventure playground in the city."*

STOP FUNDING WAR AND GLOBAL WARMING NOW!

In February, **Green Party Councillors** successfully put forward a council motion calling for the South Yorkshire Pensions Authority **to stop investing in the arms trade, fossil fuel companies and Israeli Government Bonds.**

There has been over £368.5 million invested, to date.

This is the first motion passed by Sheffield City Council calling the Pension Authority to invest ethically.

Your Green Councillor Maroof Raouf said; *"Although it's disappointing the motion was watered down by Labour and Lib Dems it does represent a huge step forward towards more ethical decision making."*

COMMUNITY IFTARS

During Ramadan, Councillor Maroof Raouf attended a number of community Iftars to celebrate the breaking of the fast with people across Nether Edge and Sharrow. These fantastic events were organised by various community organisations in our area. Thank you to all involved.
