

SAY HELLO TO ANDY DAVIES

Andy Davies has been a dedicated Green Party member since 2019. He works on the frontline of local ecology every day as an environmental groundsperson. He shares your frustration with the unreliable and disconnected public transport issues in Sheffield.

After listening to residents, he is already taking action on the issues that matter most in Walkley ward: improving public safety, minimising roadwork disruptions, and enhancing our local green spaces.

Lauren Jones, Ward Organiser
 "I have worked with Andy for over a year and have seen his passion, time and commitment given to the ward to make it a better place. As a Walkley resident of 15 years, I know Andy is the advocate our community needs."

Lauren & Andy

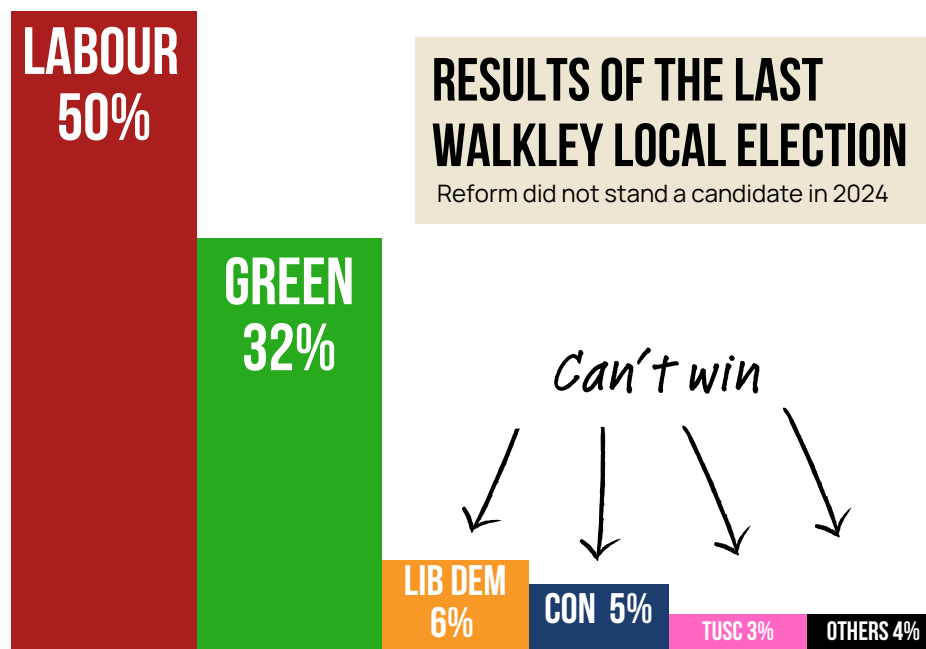

Callum Benison
 As a local resident with a young family, Andy is the candidate I trust to listen and act on people's concerns. I believe in him to bring prosperity to the area, and continue to build community ties in Walkley.

Bernard Little
 I've seen Andy's drive and dedication for our community first-hand. He is exactly the kind of proactive, hands-on Councillor that we deserve representing Walkley.
