

SAY HELLO TO MAIA, YOUR NEW GREEN TEAM MEMBER

Maia has lived, worked and volunteered in her local community since she moved into Highfield, in City Ward, in 2010.

She says, "I've championed and developed communities facing disadvantage and worked on food projects during Covid - I know how many people face poverty here."

Through Shoreham St tenants and residents' association (TARA), Maia has worked closely with the Green councillors.

Martin Phipps said, "It's been a pleasure to represent people in City Ward and Maia is a great asset to the area. One of her achievements was winning funding for new play equipment and landscaping in Duchess Road Pocket Park."

Maia saw the difference Green councillors make and it inspired her to use her skills and knowledge to continue the excellent work they have been doing.

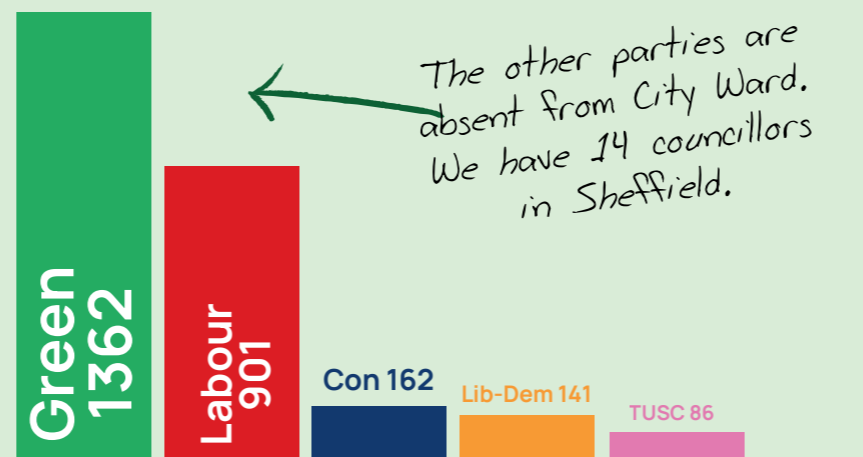

Maia, with the current Green councillors:
"I love talking to people about the issues we share"

Cllr Martin Phipps:
"Maia's work in the community is amazing and I am proud she is asking for your support to work as a councillor."
