

SAY HELLO TO DYLAN LEWIS-CRESER

I'm Dylan Lewis-Creser, your local Green campaigner here in Crookes and Crosspool. I'm proud to be standing for election on 7th May.

I have the skills and experience for the job

As a Masters student and local resident, I've seen first-hand the pressures facing people in our area.

Rents in Crookes and Crosspool continue to rise, making it harder for long-term residents and students alike to afford to live here, while many local services remain under pressure and are failing us. We deserve better from our City Council.

I will stand up for us in Crookes and Crosspool

Too often, Labour councillors are expected to follow instructions from national party leadership rather than prioritise the voices of local people. Many residents have also been disappointed by Labour's failure to take a stronger moral stand on the genocide in Gaza.

Politics should be guided by compassion, justice, and a willingness to speak out. The Green Party does things differently. Our representatives are not whipped to follow a national line, meaning I am free to put our communities first.

I can win and bring hope back to Sheffield

Across the country, the Green Party is growing as more people respond to Zack Polanski's vision of bringing hope back into politics. As a candidate, I want to turn that vision into local results.

That means standing up for our community, pushing for fairer housing, protecting services, and building a greener local economy alongside the 14 other Green councillors.

Greens across Sheffield are spreading the message from across the country - we are here to replace Labour and to make politics work for all of us, not just the political class.

Dylan is committed to being a voice for the people in Crookes and Crosspool.

Dylan's top priorities:

At the local elections on Thursday 7th May, you can vote for Dylan Lewis-Creser for more year-round hard work.

- Supporting local business & social enterprises
- Take action on housing to introduce landlord licensing and supporting affordability
- Reducing inequality by funding local services
- Defend financial support for those who need it most
- Promote active travel and improve public transport
- Inform and empower our community on planning proposals and development
- Access to green spaces and improve our parks

“ Eleanor

Dylan is knowledgeable, hardworking and understands the needs of local residents and businesses. I trust Dylan to stand up for our local spaces and help our fantastic community thrive.

“ Josh

We need a councillor who will stand up for everyone in our community, and believes in a fairer society for us all. That is why I am backing Dylan and the Green Party.

“ Sarah

I'm voting Green because the party represents a truly positive way forward for society and our planet, offering my children a hopeful, lasting future built on inclusivity, fairness and honesty.

“ Ben

Dylan is exactly the kind of person we need representing us on the council. We need people to stand up for justice, protect our green space, and decrease inequality in our society.

“ Tabby

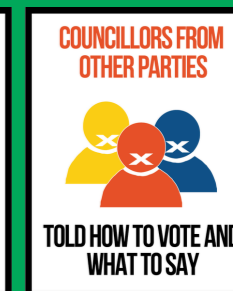

I want a cohesive, people-led party that takes my thoughts seriously. The Green Party wants to invest in the area by pushing for better bus services and offer more for our youth across the city. This is important to me.

“ Rachael

I am backing Dylan and the Green Party because they are the only party that truly understands that we need to protect early years education, take action on the housing crisis, and empower communities to make a better and fairer Sheffield.

Voting Green will get you a Councillor who works hard on your behalf. Once elected, Dylan will join Sheffield's 14 Green Councillors who are working hard in their communities. We are a strong voice, focusing on the concerns of the people of Sheffield. Green Councillors aren't forced to follow a 'party line', we are free to act in the best interests of the local people.
