

# SAY HELLO TO TESSA LUPTON

I'm Tessa, a local mum working in the not-for-profit sector and your Green candidate in the May local council elections. I grew up in Ecclesall and now want to give back to our vibrant community.

I campaign for cleaner air, more green spaces, play spaces for children and safer streets. I want Ecclesall to be a place where every family feels supported, safe, and glad to call home.

A vote for me on May 7th will be a vote for a someone who lives here, loves the area, and who will work hard for a hopeful future.

# ONLY TESSA LUPTON OR A LIB DEM CAN WIN HERE

The Greens won the last Ecclesall Ward election with Councillor Peter Gilbert elected

We have 14 Green councillors in Sheffield and are growing fast!

Graph shows last election result in Ecclesall ward in 2024. Reform UK did not stand a candidate.

VOTE FOR

# TESSA LUPTON

7TH MAY

## Councillor Peter Gilbert

I'm proud to represent Ecclesall Ward on Sheffield City Council. To have Tessa join me would be amazing. She is already working so hard to make a real difference to our ward. As a team we would be able to do even more for you.

## Julie Benson

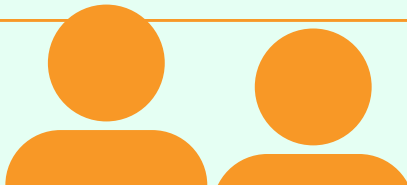

Tessa has a heart for the local community and is passionate about biodiversity and sustainability. I know from experience that she listens and responds to concerns raised in the local area.

## Katie Vernon

Tessa has been so helpful around protecting green spaces for children to play football. When we expressed our concerns she didn't only sympathise, Tessa was active in trying to resolve issues. She will be getting my vote.

## YOUR CHOICE ON 7th MAY:

Just more Lib Dems

- ✗ A party that won't stand up for real change
- ✗ A party of political spin
- ✗ A party that keeps signing contracts that waste money

Tessa Lupton

- ✓ Speaks up for positive and practical action
- ✓ Stands up for integrity and honesty
- ✓ Supports public ownership for public services

# Tessa Lupton

Green Party

X

- ✓ Works hard all year round
- ✓ A local voice who lives in Ecclesall Ward
- ✓ Greens win here
